ACKNOWLEDGEMENTS

It is a moment of great pleasure for me and at the same time a bit arduous too to acknowledge and express my sincere gratitude to all who in one way or the other have rendered their precious help, succor and assistance towards the successful completion of this endeavor. First and foremost I am indebted to my supervisor, Prof. P.S. Srivastava, Department of Biotechnology, Jamia Hamdard for his persistent and diligent care and illustrious guidance during the entire period of my Ph.D. programme under him.

My gratitude extends to Dr. K. C. Bansal, Principal Scientist, NRC on plant Biotechnology, whom I had privilege of having as my Co-chairman. I shall be grateful for his inspiring and ever stimulating guidance, and unparallel vision during entire course of my investigation and preparation of the thesis.

I dutifully place on record my gratitude to Dr. K. R. Koundal, Project Director, NRC on Plant Biotechnology, IARI, for allowing me to work at the NRCPB, IARI, New Delhi.

I owe a favour to Dr. K.V. Prabhu, Incharge, National Phytotron Facility, IARI, for allowing me to use their facility.

It gives me immense pleasure to express my sincere thanks to Dr. (Mrs.) S. Nagarajan, National Research Laboratory, Indian Agricultural Research Institute, for electrical conductivity measurements., Dr. B. C. Tripathy, School of Life Sciences, Jawaharlal Nehru University and Dr. Madan Pal, Division of Plant Physiology, Indian Agricultural Research Institute, for photosynthetic measurements.

I am very thankful to all teachers of the Department of Biotechnology, Jamia Hamdard, Prof. S. K. Jain, Dr. M. Z. Abdin, Dr. Sandeep Das and Dr. Deepshikha Pandey and scientists of NRCPB, IARI, Dr. R. K. Katiyar and Dr. S. R. Bhat whose useful suggestions and help could enable the progress of this work.
I record my heartfelt thanks to Dr. Sharmistha, Dr. V. Chinnusamy, Dr. Kanika, Dr. Ajay, Dr. Preeti, Dr. Naveen, Dr. Rekha, Dr. Prashant and Dr. Rhide for their valuable suggestions and timely help during my research work.

I record my thanks due to Dr. Roop, Dr. Anjana, Dr. Abhijit, Dr. Gunjan, Dr. Vichita, Dr. Alka, Sapna, Toolika, Nisha, Maryam, Insaf, Mukesh, Irfan, Deepa, Hemant, Parul, Lakshmi and Sandhya madam for their help and providing a congenial atmosphere in the laboratory. I sincerely thank Satishji, Tara Singhji, Shemsherji and Debu bhaiya for extending their extemporaneous support in the laboratory.

A word of appreciation is due to Rohini mam, Manju mam, Mukesh, Shiv Shankar, Uma Shankar, Anandmohan, Shivanadan, Dheeraj, Rajni, Dr Neelhar and Arul for their selfless comradeship.

I am indebted to Mrs. Sona, Mrs. Heeral and baby Anshita, for taking care of my daughter during hard days of my thesis work.

With regards, I wish to express my heartiest gratitude to my in-laws for their affection and blessing. A word of acclaim is due to my beloved husband Mr. Vivek Goyal whose constant support through all ups and downs of my life, and sacrifices could bring me this far. I wish to thank my brother-in-law, Mr. Vishal Goyal for his constant support.

I am thankful to Mr. Vikram Kumar for always helping me in computer related matter.

Financial assistance received from Council of Scientific and Industrial Research, New Delhi in form of Junior and Senior Research Fellowship is duly acknowledged.
