While there is no space to recount here the details of the various ways in which I received help and encouragement from my Research Supervisor, Dr. B.L. Gupta, Professor in Mathematics, Govt. Engineering College, Raipur; without whose inspiration, this research work would not have been taken up the shape it has and without whose guidance it could never see the light of day. I wish only to record my deep sense of gratitude for his kind attention towards the progress of my work.

I am equally grateful to Dr. H.K. Pathak, Head of the Mathematics Department, Kalyan P.G. College, Bhilainagar, for the inspiration and encouragement given at every stage of my work. It was his strong and constant support and his dedication to the project at every stage of my work that enable me to complete the work.

I am also indebted to Dr. H.A. Vachhani, Principal, Govt. Engineering College, Raipur and
Dr. (Smt.) S.K. Dooda, Principal, Bhilai Mahila Mahavidyalaya, Bhilainagar for their constant encouragement and providing me with all the facilities during my work.

I would like to thank all my family members and my colleagues for their constant help during the research period.

Department of Mathematics, Bhilai Mahila Mahavidyalaya, Bhilainagar (M.P.)
