ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to Dr. S.M. Agarwal, Professor and Head of the Department of Zoology, Govt. College of Science, Raipur for constant encouragement and critical guidance at all stages of this work.

I am grateful to Dr. S. Agarwal, Professor of Pathology, J.N. Medical College, Raipur for valuable suggestions in the study of Pathomorphology and help in Photomicrography.

I take this opportunity to extend my thanks to Dr. John S. Mackiewicz, Professor, Department of Biological Sciences, State University of New York for providing me the literature from his personal library.

I am thankful to Principal, Govt. College of Science, Raipur for laboratory facilities.

Thanks are also due to the authorities of University Grants Commission, New Delhi and Ravishankar University, Raipur (M.P.) for the award of a Research fellowship and other financial assistance from time to time.

Research Laboratory,                      L.R. Satpute
