Pride, praise and perfection belong to Almighty alone. So, first of all I would like to offer my prime heartfelt salutations at the Lotus feet of the supreme being for the strength, courage and perseverance bestowed upon me throughout the span of my studies and to complete it successfully.

Words can’t substitute my sincere feelings towards my reverend parents Smt. Sheela Devi and Shri Mangat Ram Negi, who kept me shielded from all worries although I was supposed to shoulder my responsibilities during this period. It was their love, dedication, inspiration and moral support, which led me to achieve the present goal.

With limitless humanity, I reiterate my indebtedness to Dr. R. K. Verma (Head & Scientist-F) Supervisor of my Advisory Committee, for his enthusiastic interest, constant encouragement, incessant guidance, paternal love and prompt help during the entire course of investigations.

With a profound personal regards, I take this opportunity to express my deep sense of heartfelt gratitude to Dr. N. S. Chauhan, Retd. Professor & Head of the Department of Forest Products and Co-supervisor of my Advisory Committee for his expert guidance, suggestions, constructive criticism, constant encouragement and parental love during the entire period of investigations.

I take this rare opportunity to express my deep sense of gratitude to Dr. K. S. Kapoor (Scientist-F) for his guidance, suggestions and personal affections in every stage of investigation as well as in career building.

I am highly thankful to Dr. Rajasekaran (Scientist, HFRI) for his valuable suggestion, encouragement and help in many ways till the end of the study. I am grateful to him for making my research experience interesting and challenging.

I am also grateful to Dr. V. R. R. Singh, IFS Director HFRI Shimla for allowing me to undertake such studies and for generously extending all possible help throughout the study period.

It gives me adnascent pleasure in expressing my heartfelt gratitude to Dr. Sandeep, Dr. Rajesh, Dr. Subramani, Dr. Vaneet Jishtu, (Scientists, HFRI) and for their encouragement and suggestions at every stage of investigations. I extend my heartiest thanks to Mr. Joginder Chauhan, Mr. Dushyant Kumar and all other staff members of Himalayan Forest Research Institute, Conifer campus, Panthaghati-Shimla for their kind and cooperative nature.

Contribution of my wife Smt. Som Lata during the research work remained significantly unique, indescribable as she always inspired and encouraged me from the core of her heat.
Language seems to be an inadequate media to express my heartfelt gratitude for eternal affections, lively sentiments and constant encouragement from my younger brother B. D. Negi, Sister Soni, Jijaji Sunder Lal Negi, Mother-in-Law Smt. Sonam Puri, Father-in-Law Sh. Parkash Chand Negi, and my brother-in-laws (Krishan Kumar, Sher Singh and Rakesh Negi) whose inspiration, advice, good wishes and emotional help acted as premium to my achievements. Besides, I am highly thankful to all the relatives for their love and affection from time to time.

Friends are born not made. Being destined enough the convivial and vivacious company of Sideshwari, Ajay, Pawan, Sahlu, Syed Mubashir, Pawan Bhardwaj and Rajwanshi, Rajanjeet will be a cherished memory. With celestial smiles, I thank all my seniors, juniors and dear friends.

I am also very grateful to all the staff members of Lippa-Asrang wildlife Sanctuary Range office Sangla and other organizations who helped me providing and permitting me to use relevant information to carry out the research.

No expression of thanks will be sufficient without recognition of Sh. Gian Singh (Chowkidar) IPH Rest House at Asrang for his help during the investigation.

I am also highly thankful to State Bank of India and all the staff members for providing me permission and constant encouragement to complete my research work.

Needless to say errors and omissions are mine.
