Acknowledgement

Coming to the end of this work, it gives me an earnest pleasure to express my gratitude to all those who have made this thesis a reality and I will always be indebted to all of them...

First of all I am profoundly and everlastingly grateful to my guide, Prof. (Mrs.) Shobhana K. Menon, Head, Chemistry Department, Director, School of Sciences, Gujarat University, Ahmedabad for giving me an opportunity to work under her perceptive guidance. It has been my privilege to have worked under her able and inspiring guidance. I am deeply thankful to her to teach a systematic, precise and basic approach to do research work with punctuality, dedication and discipline.

I would also like to acknowledge Dr. Usha P. Pal, former associate professor, Department of Chemistry, Gujarat University, for her valuable support and cooperation.

I am indebted to all teaching staff of the Chemistry Department, for their invaluable guidance, advice, support and tremendous cooperation shown throughout my work. I further extend my sincere thanks to the non teaching staff of the Chemistry Department for their help.

I warmly thank Dr. Meenu saraf, Department of Microbiology, Gujarat University, Ahmedabad for their support. I would also like to thank Dr. M. Mahalingam and Mr. Naines Parikh, ANAR chemicals for the help extended.

The work would not have been possible without the support and cooperation of my seniors Bhargav, Anish, Gaurang, Saurabh and my friends, Manish, Alok, Kuldeep, Bhoomika, Rahul and Pinkesh. I take this opportunity to thank all the research student of Department of Chemistry, Gujarat University, Ahmedabad for support and help.

I further extend my thanks to my seniors Ravindra, Jayesh, Sudhir, Parin and hiren for supportive during the course of my work.
I would also like to thank Chaitanya Kumar Jha, research student, Department of Microbiology and Neha, research student, Department of Zoology for their help throughout my work.

I greatly acknowledge CDRI, Lucknow, SAIF, Chandigarh and CSMCRI, Bhavnagar for providing spectral data. I also extend my thanks to Inflibnet and ATIRA for rendering me excellent library facilities.

Financial assistance from UGC, New Delhi is gratefully acknowledged.

Last but not least, I am indebted lifetime to my parents for their sacrifice, support and endless love. No words can express enough appreciation for the patience and unquestioning support extended by my sister Mansi. I would like to recognize the invaluable support, encouragement and prayers of my other family members and friends.

I thank almighty GOD for showering this merciful blessing on me.

Nishith R. Modi
