Acknowledgement

I express my gratitude to my supervisor, Dr. V. Sivakumar, Scientist E, who is sincere, captivating, dynamic, and the true embodiment of a mentor. I am really proud to work with him to be his first Ph.D scholar. I appreciate all his contributions of time, ideas, and support to make my Ph.D. experience productive and stimulating. The joy and enthusiasm he has for his research was contagious and motivational for me, in my Ph.D. pursuit while holding important position and responsibilities.

Dr. Alok Saxena, IFS, Additional Director, Indira Gandhi National Forest Academy, Dehra Dun, my co supervisor, has taught me, both consciously and unconsciously, how good forestry research is done. I am indebted for his valuable guidance and support in completing the work successfully. I am also thankful for the excellent example he has provided as a successful forest administrator and researcher.

My thanks are due to my Director, Dr. N. Krishnakumar, IFS, Institute of Forest Genetics and Tree Breeding, Coimbatore and chairman of Research Advisory Committee for his support, encouragement and enthusiasm for my study over the years.

I am grateful to Shri T.P. Raghunath, IFS, Group Coordinator Research, Institute of Forest Genetics and Tree Breeding, Coimbatore for his understanding and great support during this wonderful journey.

My thanks are due to Dr. M. Surya Prakash, IFS, the then Director, Institute of Forest Genetics and Tree Breeding, Coimbatore for providing positive and encouraging environment and support in carrying out the work.

Special thanks are due to Shri R.S.C. Jayaraj, IFS, then Head, Forestry Landuse and Climate Change Division, IFGTB for his encouragement and help to fulfill my desire. He helped me in all stages of my work, corrected my thesis and suggested possible improvements. It is not sufficient to express my gratitude with only a few words. Thanks are due to Shri R.S. Prashanth, IFS, Head, FLUCC for his support and cooperation during the final stages of work.

I appreciate the advice of the committee members Dr. K. T. Parthiban, Dr. S.R. Sree Rangasamy and Dr. C. Surendran for their critical comments which enabled me to incorporate necessary improvements in my work. I thank Dr. V. Mohan, Scientist F, Nodal Officer, FRIU, for his support and cooperation in completion of the study.
There are two people I need to mention Shri S. Saravanan and Dr. Rekha R. Warrier for their friendship and unselfish help. I owe them both my sincere gratitude for their timely and voluntary help. I also thank Shri. D. Sathiyan, IFS and Shri. Rajesh Ravindran, IFS for their valuable suggestions in improving the thesis.

My sincere thanks are due to the Managing Director, Joint Managing Director, Divisional Managers and Staff of Tamil Nadu Forest Plantation Corporation (TAFCORN) for their indispensable generosity and help in conducting the study in Plantations of TAFCORN.

I am especially thankful to Shri Kannan, IFS, Shri I. Anwardeen, IFS and Shri Kennedy, Technical Officer, for their excellent cooperation, support and taking care of logistics during field study. Without their support and cooperation, it would not have been possible for me to pursue and complete the study successfully.

I am very grateful to Dr. A. Vijayaraghavan, Shri Maria Dominic Savio, Dr. A. Karthikeyan, Dr. R. Anandalakshmi, Dr. B. Gurudev Singh, Dr. Kannan C.S. Warrier, Dr. A. Balu, Dr. N.V.Mathis, Dr. N. Senthil Kumar, Dr. C. Buvaneswaran, Dr. A. Nicodemus, Dr. B. Nagarajan, Dr. R. Yasodha, Shri A. Mayavel, Shri Sarvesh Kumar Singh, Shri Nagendran, Shri Nagarajan, Dr. Kalidas, Shri P. Chandrasekaran, Shri Gireesan, Smt. Sumathi, Smt. Savitha, Smt. Sunitha and Smt. R.G. Anitha, who have given me their friendship, put up with my odd hours and rendered help in completion of the study. I give my sincere thanks to all the scientists, officers, staff and employees of IFGTB for their kindly help.

My time at Coimbatore was made enjoyable in large part due to the many friends and groups that became a part of my life. I am especially grateful to my good old friend Shri S.P. Swamy, for his affection, encouragement, support and hospitality.

My sincere thanks to all my family members namely brothers, sisters, brother in laws, sister in laws, nephews and nieces, and relatives for their love and affection.

I am grateful to my mother for her understanding and love. She has always been proud of me, which makes me work harder and do my very best.

Lastly, I would like to place it on record my gratitude to my devoted wife Mrs. R. Senthilvadivu and my daughters R. Lekhashree and R. Harshitha for all their love, support and encouragement. They are the backbone and origin of my happiness.

Thank you.

(K. Ravichandran)
