ACKNOWLEDGEMENT

I have worked with a great number of people whose contribution in assorted ways to the research and the making of the thesis deserves special mention. It is a pleasure to convey my gratitude to all of them in my humble acknowledgment.

It is difficult to overstate my gratitude to my research supervisor, Dr. H.S. Ginwal, Scientist ‘F’ for his inspiration and his great efforts to explain things clearly and simply. Throughout my thesis-writing period, he provided encouragement, sound advice, good teaching and ideas. His expertise knowledge and vast experience have gone a long way in accomplishing this research work. Without his constant support the research work would not have taken the present shape. Working under him was an enriching experience.

It has been my privilege to have had the opportunity of working in Forest Research Institute, Dehradun. I sincerely thank Dr. S.S. Negi, P.C.C.F. Shimla (Ex-Director-F.R.I), Dr. P.P Bhojwaid, Director, F.R.I. and Dr. A.K. Tripathi, Registrar F. R. I. Deemed University for providing me necessary facilities for the accomplishment of this research work. I acknowledge the support of D.S.T.-Inspire (Department of Science Technology- Govt. of India). New Delhi.

I am deeply grateful to Dr. Santan Barthwal, Scientist ‘E’ for his advice, supervision, crucial contribution and foremost for his unflappable attitude in a crisis especially when it came to troubleshooting the glitches.

I would like to thank Dr. Manish Bhandari, Scientist-B, Mr. R.K. Meena, Scientist-B, Dr. Ajay Thakur, Scientist-E and Dr. Ramakant, Scientist-B for their timely help and cooperation.
I am thankful to the office staff of the Division of Genetics and Tree propagation and staff of Forest Research Institute Deemed University for their good and timely cooperation.

I extend my gratitude to Dr. S.P. Goyal, Chairman RAC and all the expert members of the RAC, for their suggestions and support.

I thank the Divine power for being the inner voice that helped me make the right decisions and gave me the strength to complete the challenging work successfully.

I cannot find words to express my gratitude towards my parents Mr. I.K. Goel and Mrs. Anita Goel for their inseparable support without which the work would not have been possible. I am also grateful to my younger sister Nidhi Goel and younger brother Master Shivank Goel for their continuous support. My special appreciation and thanks goes to Mr. Gaurav Goel, Mrs. Aman Goel for their innovative inputs and timely help.

I gratefully thank my friends Mr. O.P. Sharma, research scholar, Pondicherry University, Mr. Danishuddin, research scholar-Aligarh Muslim University, Mr. Manbir Singh, P.G.I, Chandigarh for their valuable discussions, constructive comments, and company throughout the research work.

It express my thanks to Dr. Anita Rawat, Dr. Shivani Dobhal, Ms. Disha Rautela, Ms. Shruti Sharma, Ms. Kirti Rai, Mrs. Indu Dwivedi, Ms. Priyanka Srivastava and Mr. Santosh for their kind support. I would like to specially thank Mr. Akhilesh Kumar, Mr. Anugrah Tripathi, Miss Karuna Phular and Miss Nikhita Bishnoi.

Neha Goel
