Acknowledgements

Gratitude cannot be seen and expressed, it can only be feel deep in heart and is beyond description. Although thanks are poor expression of debt of gratitude yet there is one better way to express. In this regard, I would like to acknowledge those who have had impact on this experimental study and provided different forms of support.

On the very outset I would like to express my sense of gratitude to almighty for his grace and guidance.

I express my deepest sense of gratitude and sincere thanks to my supervisor, Dr. Nirmal Sudhir Kumar Harsh, Scientist-G/Group Coordinator (Research), Forest Pathology Division for his valuable guidance, thoughts, provoking discussion and creative suggestions, constant encouragement, criticism and full cooperation throughout the period of my investigation. I express my immense respect and profound gratitude to my co-supervisor Dr. Vinay Kumar Varshney, Head/Scientist-F, Chemistry Division for his benevolence guidance and valuable suggestions during study and preparing the manuscript of this thesis.

It gives me great pleasure to express my heartfelt thanks to Dr. Amit Pandey, Scientist-F & Head, Forest Pathology Division, Dr. Yash Pal Singh, Scientist-E, Forest Pathology Division, Dr. Ashwani Tapwal, Scientist-D, Forest Pathology Division and Dr. Alakh Niranjan Shukla, Retd. Head Forest Pathology Division for their important advices, help and for going through the manuscript.

I sincerely thank to Dr. Narendra Singh Bisht, IFS and Chairman for his valuable suggestions. I also thank to RAC members Dr. Dinesh Kumar, Scientist-F, Silviculture Division and Dr. Praveen Singh Rawat, Scientist-D, Research & Coordination Section for reviewing my study and to Sh. Raman Nautiyal, Scientist-F, ICFRE for his kind help in statistical analysis of data. Their guidance had served me well and I owe them with my heartfelt appreciation. I acknowledge Dr. Anup Chandra, Scientist-D, Systemic Botany Division for identifying host plants from which fungi were collected/isolated and Sh. Atar Singh Chauhan, Research Officer, Non Wood Product Division for identifying Valeriana wallichii a test plant in present study, Dr. Subhash Nautiyal, Scientist-E, Botany Division and Dr. Ajay Thakur, Scientist-E, Plant Tissue Culture Discipline for accepting me to conduct my research work and providing all necessary facilities, without which the work would have not turned to reality.

I cordially thank to research team and staff members of Forest Pathology Division, especially to Sh. Suresh Chandra, Research Officer for his encouraging, suggestions and mentoring during sample collection and Dr. Shailendra Kumar, Mrs. Ranjana Juwantha,
Nagendra Singh, Mrs. Pratima, Sh. Satya Prakash, Ms. Rajni Maurya, Sh. Chandramani Pant, Sh. Deepak, Sh. Sanjay and Sh. Prahlad who all have directly or indirectly helped me during the course of my study.

I express my heartfelt thanks to Dr. Harish Chandra, Assistant Professor, High Altitude Plant Physiology Research Centre, H.N.B. Garhwal University, Srinagar, Garhwal, Uttarakhand for providing some literatures and for his encouragement and priceless suggestions.

I am also thankful to Dr. Mikheil D. Asatiani and Dr. Solomon P. Wasser, Institute of Evolution, University of Haifa, Israel, Dr. Isabel C.F.R. Ferreira, Instituto Politecnico de Braganca, Portugal, Dr. Jeng-Leun Mau, National Chung-Hsing University, Taiwan, Republic of China and Dr. R.K. Srivastava, Fragrance and Flavour Development Centre, Kannauj, India for providing me their lecture notes and literatures.

My time at Forest Research Institute was made enjoyable in large part due to the many friends and groups that became a part of my life. I am blessed with them who helped me to complete this work. In particular I am thankful to Mr. Manoj Kumar who was always with me during sampling, Mr. Dinesh Panwar for his help during field experiments, Mr. Soloman Das, Dr. Sona Singh and Dr. Vishal Kumar for their valuable suggestions during data collection and Mrs. Sanjeeta Sharma, Ms. Jyoti Bisht, Ms. Shikha Thakur, Ms. Pallavi Bhatia, Mrs. Kanika Sharma, Dr. Varun Kumar, Mrs. Shailja Rawat, Mr. Kartik Uniyal, Ms. Monika Panwar and Ms. Pooja Kannojia for their for their constant encouragement, patience and moral support in my pursuance of Ph.D. degree.

Words are falling when it comes to thank my wife Smt. Reena Verma and my lovely kid Hardik who stood by me throughout this study and their encouragement help to lighten the dark hour when inspiration failed and ideas dried up.

The eternal foundation of blessings, moral support and never ending sacrifice of my beloved parents Shri Ram Prasad Mehta and Smt. Kaushal Raj who has enabled me to reach the footstep of my long cherished aspiration. I also express my heartfelt gratitude towards my brother and sister and all of my family members for their good wishes and emotional help acted as a divine power to my achievements.

I am grateful to all those persons and offices that have directly or indirectly helped me during the courses of this study. Any omitting in this acknowledgement does not reflect any lack of gratitude.
