Acknowledgements

I feel gigantic indulgence in expressing my deepest sense of gratefulness to my guide Dr. M. B. Dholakia, Professor, L. D. College of Engineering, Ahmedabad, Gujarat for his consistent guidance and constructive criticism during the itinerary of present exploration, preparation of thesis and vital support at each juncture, which culminated in successful completion of my research work.

I wish to express my sincere thanks and gratitude to Prof. M. N. Patel, Principal, L.D. College of engineering for their motivation and encouragement.

I seize an opportunity to express my special thanks to Prof. K. M. Shah, Dr. N. K. Sherasia, Dr. G. P. Vadodaria, Prof. S. A. Travedi, Prof. R. B. Khasia, Shri. V. R. Patel, and all other faculty members of the civil Engineering department, L.D. College of engineering, for initial technical help in software for modeling.

Special thanks are also due to Dr. S. K. Pathan, Head, LPPD, SAC, ISRO, Ahmedabad and Dr. Arun Kumar Sharma, Scientist “SF” Earth Science Hydrology Division MESG/RESIPA, Space Applications Centre (ISRO). Dr. S. D. Dhiman, Professor of Civil Engineering, B.V.M Engineering College, Vallabh Vidhaya Nagar, Shri. Dhruvesh Patel, faculty at L.D.R.P, Gandhinagar.

The blessing of my parents, brother and sister enabled me to come across all the hurdles. My deepest regards to them for invaluable inspiration and encouragement. Affectionately, my eternal gratitude goes to my wife ‘Ranjan’ and my son ‘Dhruval’ for her patience and understanding while I was spending lots of hours in this research.

Last but not the least, with great pleasure and satisfaction, I wish to convey my gratitude to all those who have directly or indirectly contributed in the successful completion of my research work.

Vinod Patel
