ACKNOWLEDGEMENT

The satisfaction and euphoria that accompanies the successful completion of our task would be incomplete without the mention of the people who made it possible. The success of this project would have been uncertain without the help and guidance of dedicated band of people.

I am deeply indebted to my supervisor Dr. K.M.Aravinthan, M.Sc., Ph.D., Assistant Professor in Biotechnology, Nallamuthu Gounder Mahalingam College of Arts and Science, Pollachi. I wish to submit my whole hearted gratitude for his meticulous and dedicated guidance. He inspired me a lot being kind, hard working and perfectly balancing between home and work. Her enthusiasm towards research and her mission to achieve great thinks created a valid impact on my work.

With heart and soul I wish to place on record my heartfelt thanks and gratitude to Dr. R. Kavithakrishna, M.Sc., Ph.D., Head, PG Dept of Biotechnology, NGM College, Pollachi, for constantly motivating me and urging me to concentrate and complete my work.

I am privileged to thank Dr. B. K. Krishnaraj Vanavarayar, President, NGM College, Pollachi, for the permission provided to me for doing this research work.

My profound thanks to Dr. P. Badrisrman Narayanan, Principal, NGM College, Pollachi, for permitting me to utilize all the facilities available in the college to complete my research work.

My heartfelt thanks to Dr. M. Saravana Kumar, M.Sc., Ph.D., Senior Scientist, RASI Seeds, Athur, Salem, for their care, support and guidance.

I am indebted to Dr. A. Arun Kumar, Managing Director, Bioages Innovations, Coimbatore, for his uncompromised constant motivation.

My indebted thanks and gratitude to Ms. P. Suganya Devi and Ms. A. Shanmugapriya, Faculty, Department of Biotechnology, NGM College, Pollachi, for their suggestions, help and for having made me feel at home during the course of study.
I extend my thanks to Dr. S. Karthikeyani, M.Sc., P.h.D., Assistant Professor, Government Arts and Science College, Udumalpet, for her constant support and timely help throughout.

My heartfelt thanks to Dr. Kannan, Head, Department of Botany, Dr. Kalamani, Head, Department of Chemistry and Dr. Dhanalakshmi, Head, Department of Zoology, NGM College, Pollachi for their care, support and guidance.

My special thanks to Ms. G. Latha, Lab Assistant in Biotechnology, NGM College, Pollachi, for her help and support during my academic year.

My heartfull thanks to the M.Kathiresh, M.Vinodha, J. Jenshi Roobha, Reshmi, R. Kiruthiga and S. Aruna, research scholars of Biotechnology, NGM college for their timely help and support during my research work.

I would like to appreciate and thank my brother and father for having taken care of them and spared me time during my research.

Last but not least, I must acknowledge my gratefulness to all those, whose names have not been figured above but have helped me liberally and spontaneously.

R.RAKKIMUTHU
