ACKNOWLEDGEMENT

With great pleasure I express my deep sense of sincere gratitude to my guide Dr. P.S. Sharavanan, M.Sc., M.Phil., B.Ed., Ph.D., Assistant Professor in Botany, Annamalai University, Annamalai Nagar for his very inspiring and invaluable guidance and continued help, advice, suggestions, comments, supervision, parental care, constant source of encouragement which has enabled me to pursue an uninterrupted and free flow of work. I have found my discussions with him to be so enlightening as to supply the needed stimulation to proceed with my work. I am immensely indebted to him and his family members for their ideas which have benefitted me largely.

I express my heartfelt thanks to Dr. S. Manian, Professor and Director, Department of Botany and also Dr. V. Narmadha Bai, Professor, Department of Botany, Bharathiar University for providing permission, valuable suggestions, extended ideas, unimpeachable help, and encouraging me to carry out this research investigation. I am ever grateful to them and hold them in high esteem.

My sincere thanks to Mr. P. Karunanidhi, Farm Manager, Department of Agriculture, State oil seeds farm, Neyveli for providing land and his continued support, guidelines, help during my course of study.

I wish to thank Professor and Head, Oil and seed Research station, Tamil Nadu Agricultural University, Virudhachalam for providing seeds to carry out my research work.

It is my duty to express my sincere thanks to Mr. T. Kumarappan, Chief Manager, EID Parry (India) Ltd., Nelllikuppam, Cuddalore District for his suggestions, encouragement and his valuable help for collecting the sugar mill effluent.
I convey my thanks to the Agriculture Officers, Soil and Water test centres, Semmandalam, Cuddalore District who provided me the soil and water test report at the right time and also I much greatful to Dr. M. G. Ramachandran, Medical College, Porur, Chennai for furnishing the accurate biochemical results.

My sincere thanks to Mr. P. Vadivel, M.Sc., M.Phil., B.Ed., for his constant encouragement, excellent ideas and help during the course of my project work.

I am very glad to convey my sincere thanks to Dr. J. Suresh Kumar, Assistant Professor, Department of Botany, Government Arts and Science College, Thiruvannamalai for his construction, worthy suggestions, valuable help in analysed biochemical works and parental care whenever approached.

My profound thanks to all staff members, Department of Botany, Annamalai University, Annamalai Nagar as they welcomed me with a pleasant smile on their face, and they guided me to accomplish my target.

I extend my heartfelt thanks to all my brothers, colleagues, friends and research scholars for their co operation, co ordination and timely help.

Finally I thank M/S. BISMI Computers, Annamalai Nagar for typing and printing this project work with much perfection.

Above all, I thank the Almighty, who blessed me with knowledge, wisdom, courage and inner strength to materialise my vision into a mission.

Signature of the Candidate

(M. Noorunisa Begam)
