ACKNOWLEDGEMENT

This dissertation is possible only with the guidance and the support of several individuals, who have contributed and extended their valuable assistance in making this study a successful one. I express my deep sense of gratitude to all these important people.

I am humbled to Lord Almighty for strengthening me to complete this project by His eternal support and blessings.

I owe my sincere gratitude to the Managing Trustee Dr.(Sri.)G.Rangaswamy, and the Secretary, Dr.(Smt.)R.Nandini, PSGR Krishnammal College for Women, Coimbatore for providing me all the necessary amenities to carry out this study in a structured manner.

I am obliged to my respected Principal Dr.(Mrs).N.Yesodha Devi, M.Com., Ph.D., PSGR Krishnammal College for Women, Coimbatore for her motivation and guidance throughout this work.

I extend my heartfelt gratitude to my guide Dr.N.S.Malathy, M.Sc., Ph.D., Associate Professor, Department of Botany, PSGR Krishnammal College for Women, Coimbatore, for her excellent guidance, care and patience in directing me to complete this project in a successful manner. Her mentorship was paramount in providing an all-round experience for my long term career goals and encouraged me to grow as an independent thinker as well. Her ample knowledge in the subject and life enthused me at all levels of this project which helped me to obtain the desired outcome.

It is a great privilege to express my utmost gratitude to Dr.K.Mani, M.Sc., Ph.D., Associate Professor (Retd.), Department of Botany, PSG College of Arts and Science, Coimbatore, who inspired me to take up this research. His immense knowledge in various arena and unique way of approach towards research motivated me at all levels of work and life. He instilled confidence in me with his distinct thoughts that has given life to this project from day one. I am glad to get his guidance and take this opportunity as God given gift.

I am indebted to Dr.R.Krishnasamy, M.Sc.(Ag.), Ph.D., FISSS., Dean-Research, and Mrs.Rama Narayanan, M.Sc., M.Phil., Dean-Academic Affairs and Mrs.S.Vasandha, M.Sc., M.Phil., Dean-Student Affairs, PSGR Krishnammal College for Women, Coimbatore, for their encouragement and valuable suggestions.
My sincere gratitude to Dr. V. Sashi, M.Sc., M.Phil., Ph.D., Head of the Department and all the faculty members, Department of Botany, PSGR Krishnamal College for Women, Coimbatore, for their constant encouragement and support.

I would like to thank Dr. S. Rajeswari, M.Sc., M.Phil., Ph.D., Head of the Department and all the faculty members, Department of Botany, PSG College of Arts and Science, Coimbatore for their kind support during the needy hours.

I owe my sincere gratitude to Dr. B. Apala Raju, M.B.B.S., M.D., Head of the Department and Dr. S. Parvathi, M.B.B.S., DNB (Micro), Professor, Department of Microbiology, PSG Institute of Medical Science and Research, Coimbatore for permitting and guiding me to carry out the antituberculosis work.

My thanks are due to Mr. G. Arihara Siva Kumar, M.Pharm., Professor, Mr. M. Ragumathi, M.Pharm. and Mr. E. Karveen, M.Pharm., Department of Pharmacology, KMCH College of Pharmacy, Coimbatore, for their support to carry out the antidiabetics study in a systematic manner.

I wish to thank Dr. N. Vijayaraj, Ph.D., Computational Molecular Biologist, National Institute of Health and Mrs. M. Abigail, M.S., for providing valuable suggestions and helping me in times of need.

My heartfelt thanks to Mr. K. Dhinagar, M.C.A., Program Analyst, Cognizant Technology Solutions, Chennai, who has contributed his valuable time and energy and was passionate in creating the Database with his impeccable technical knowledge.

Collective and individual acknowledgements are indebted to my fellow research scholars, Department of Botany, PSGR Krishnammal College for Women, Coimbatore and my friends Mr. V. Gowdaman, Ms. R. Jayasudha, Mr. S. Aravindan, Mr. J. Augustin Vivek, Mr. G. Gopinath who have rendered their valuable help and cheered me with confidence to complete this project.

With deep sense of gratitude, I would like to thank my beloved Parents Mr. M. Sundararajan and Mrs. S. Renuka and my caring brother Mr. S. Praveen Kumar, who are the pillars of strength throughout this study and encouraged all my endeavours with unwavering confidence in me without whom this project would have been impossible. Their everlasting love and care has always helped me to move on in various stages of life.
