Abbreviation

TLC - Thin Layer Chromatography
HPTLC - High Performance Thin Layer Chromatography
HPLC – High Performance Liquid Chromatography
GC – Gas Chromatography
LC – Liquid Chromatography
GCMS – Gas Chromatography Mass Spectroscopy
VPC – Vapor Phase Chromatography
GLPC - Gas Liquid Partition Chromatography
AHP –American Herbal Pharmacopeia
IHP – Indian Herbal Pharmacopeia
WHO – World Health Organization
SPE – Solid Phase Extraction
ELSD – Evaporative Light Scattering Detection
EI – Electron Impact
ESI- Electron Spray Ionization
CE - Capillary Electrophoresis
SFC - Supercritical Fluid Chromatography
IC – Ion Chromatography
Rf – Retardation Factor
RT –Retention time
NIST – National Institute Standard and Technology
DPPH – 2,2 Diphenyl, 1-Picrylhydrazal
