Acknowledgement

Research is an endless process for acquisition of knowledge, which never achieves merely by an individual effort.

With a deep sense of gratitude, I express my indebtedness to my guide, Dr. N. M. Patel, Ex-Principal, Shri B. M. Shah College of Pharmacy, Modasa, from finding to appropriate research topic in the beginning to the process of writing thesis, for his invaluable guidance and constant inspiration throughout the course of the study. Without his kind and patient suggestion, it is impossible for me finish this research.

My special thanks, to Dr. J. R. Chavda, Principal, B. K. Mody Government Pharmacy College, Rajkot and Dr. T. Y. Pasha, Principal, Pioneer Degree Pharmacy College, Vadodara and for providing me all the necessary requirements and facilities to complete this project work. My incredible thanks to Mr. Dasharathbhai Patel and Mr. Tejas Patel, trustees of Pioneer Pharmacy College, Vadodara for providing necessary facility.

I will be highly indebted to non teaching staff of Pioneer Degree Pharmacy College Vadodara and B. K. Mody Government Pharmacy College, Rajkot for their cooperation. My sincere thanks are to Sun pharmaceutical Ltd, Vadodara for providing animals for pharmacological study and Food and Drugs Laboratory (F.D.L), Vadodara for kind cooperation for giving me good library facility.

I am also thankful to Dr. N. R. Sheth, for permitting me to use sophisticated instrumental facility, in the Department of Pharmaceutical Sciences, Saurashtra University, Rajkot. I express with deep sense of my heartfelt respect and gratitude to Prof. Mohan Aghera, Dr. Ketan modi, Dr. M M Soniwala, Prof. Dhiren joshi, Mr Suresh Sanja, Mr. Malay Rathod and Librarian Mr. N. P Joshi for cooperation and moral support at various stages of my project work. I owe special thanks Dr. P. S. Nagar, professor, Department of Botany, M. S. University of Baroda, Vadodara for his expert guidance and help in identification and collection of plant materials.
I wish to express my gratitude towards Dr. Amit patel, Mr. Bhavik, Mr. Jitendra and Mr. Alpesh for their constant help and cooperation during the course of the study.

I especially thanks to my friend Mitali for her help and encouragement. I also thankful to my colleague at Pioneer Degree Pharmacy College, Vadodara, Dipti, Ms. Sapna, Dhara, Mr. Mehul for their help and moral support. I acknowledge the support of my colleagues at B. K. Mody government Pharmacy College Ms. Khyati shah, Ms. Resa Parmar, Ms. Jalpa Paun, Mr. Dipen Bhimani, Mr. Devang Sheth, Dr. Nilesh Patel and Dr. Ravi Manek.

I am thankful to my parents, brother and sisters for their constant encouragement, inspiration, love, care, support and faith towards me, without this research work would be incomplete.

I am very much thankful to my beloved and most caring Husband Hası for his evergreen immense help, support and encouragement during my entire Ph. D work.

Above all, I thank, Almighty God for always providing me constant enlighten and strength to complete research project successfully.

I am grateful to my teachers, friends and all the well wishers. This project work would not mould without their wholehearted encouragement. I am indebted to all, who have contributed, directly or indirectly, in completion of my work.

Daya L. Chothani
