ACKNOWLEDGMENT.

I wish to express my deep sense of gratitude and indebtedness to Dr. K.C. Misra, M.Sc.; Ph.D. (Sask), Reader in Botany, Banaras Hindu University, Varanasi for suggesting me the problem and for his valuable guidance throughout the course of my work.

I am also grateful to Prof. R.A. Deshpande, Ex-principal, Govt. Engineering College, Bilaspur; Prof. S.D. Misra, Ex-Principal and Prof. Girdhar Vajpai, present Principal, Govt. Post-graduate College, Bilaspur for encouragements and for providing laboratory facilities.

To the Director, State Forest Research Institute, Jabalpur and the Director, Central Fuel Research Institute, Dhanbad, also I want to express my thanks for permitting me to work on Mohanbhata grasslands and to use oxygen Bomb Calorimeter respectively.

To many of my Teachers, Colleagues and friends, viz. Prof. M.B. Shastri, Dr. S.S. Ali, Prof. S.G. Gore, Dr. H.N. Pandey of U.P. College, Varanasi, Prof. S. Bhattacharya, Drs. A.M. Agrawal, M.L. Naik, and R.D. Dass, Shri B.S. Deshmukh, Officer-in-charge, Coal Survey Laboratory, Bilaspur, and other scientists of the laboratory, and members of the Ecology Research Circle, Banaras Hindu University, also I want to express my
sincere thanks for their help in overcoming my difficulties at various stages of my work.

In the end, the present study would not have been possible without the blessings of my respected mother and constant encouragements from my wife Chandra, to both of whom I am much indebted.

Financial assistance towards partial fulfillment of the present study from Ravishankar University, Raipur is also thankfully acknowledged.

Botany Department,
Govt. Post-graduate College,
Bilaspur (M.P.)

Dated, the 9th Sept. '75.
