ACKNOWLEDGEMENT

The work of this thesis has been shaped by the contribution of many people and it is my pleasure and gratitude that I acknowledge their assistance. I gratefully acknowledge my research supervisor Prof. Rajender Singh, H.O.D. and Director, School of Studies for Physical Education, Jiwaji University, Gwalior for his valuable and efficient guidance, encouragement, support and valuable advice given in formulation and successful completion of this research work.

I am thankful to Dr. Reeta Venugopal, Reader and H.O.D., School of Studies in Physical Education, Pt. Ravishankar Shukla University, Raipur (C.G.) for her support and inspiration.

I am thankful to all the principals and physical education teachers of the schools from where the data had been collected. Without their co-operation and help, collection of data would not have been possible and also to the students, who performed so willingly and effectively during data collection phase. I am deeply indebted and owe them a special thanks.

I am thankful to Dr. A. Kumar, Dr. Wilfred Waz, Dr. D.K. Verma, Dr. Mitashree Mishra, Ashesha Kaushal, Ranju Sharma, Ningraj Reddy, Omji Gupta, Shree, Yogesh, Ankit, Anshul and Shruti for their help in collection of data.

A deep sense of gratitude to my parents, in-laws, Dr. Badesha, Mrs. Badesha, Mr. Venugopal, Mr. Suresh Pillai and all my relatives and friends for their support and encouragement throughout the course of this study.
It is also my pleasant duty to record a special note of admiration and gratitude for my husband Suresh, daughter Kartika and son Abhinav, whose interest were ignored during the course of this work and whose forbearance, cooperation and sacrifice paved the way to achieve this academic goal.

Last but not the least I am thankful to Shri Maneesh Dandekar for helping in giving final shape to this thesis.
