ACKNOWLEDGEMENT

"In all thy ways acknowledge Him and He shall direct thy path"

It is a pleasure to thank and acknowledge my immense gratitude to all those who have inspired and rendered their valuable support to me for completing this study.

I am profoundly grateful to the department of Human Biology, Punjabi University, Patiala for giving me an opportunity to carry out this academic venture.

It is difficult to overstate my gratitude to my Ph.D. Supervisor Prof. Pushpa Singal. I have been inspired by her meticulousness, her attention to detail and her energetic application to any problem. She was thorough, extremely knowledgeable, involved and utterly dedicated to the quality and accuracy of the study.

I am extremely grateful to my Co-Supervisor Prof. Harbans Kaur, Vice-Principal, MARDAV College of Nursing, Jalandhar for devoting her valuable time. Her constant suggestions, encouragement and timely advice have been invaluable in endeavour of mine.

I am grateful to Prof. Promila Mehta, Head, Deptt. Of Human Biology, Punjabi University Patiala for her encouraging words and special care during my study period.

I fall short of words to express my sincere gratitude to Dr D.P. Bhatnagar, Retd Professor, Deptt of Human Biology for his notable advice and guidance.

I owe my special thanks to Dr. S.K. Aggarwal, Director, Aggarwal Nursing Home and Chest clinic, Hoshiarpur and Dr. T.R. Bhatia, Dr. D.S. Khela and Dr. Karnail Singh, all from Civil Hospital, Hoshiarpur for extending cooperation in patient certification.

The work of course would not have progressed without the co-operation of the subjects who need a special mention of thanks.

I want to extend special word of thanks to Mr. Janak Raj Sharma for his wholehearted help in typing and preparing illustrations for this thesis.

My special gratitude to my parents who inspired and encouraged me throughout the period of conducting this research project.

Above all I am grateful to the divine Lord for the inspiration, motivation and for providing me with the right tools to make and complete this onerous task.
