ACKNOWLEDGEMENT

First and foremost, I humbly bow to offer my whole-hearted gratitude to THE ALMIGHTY for blessing me to complete this project.

First of all I am profoundly grateful to my guide Dr. G. Rita Goretti Lourdes, Professor and Head, School of Education, Tamilnadu Open University, Chennai. Her profound knowledge and critical acumen have proved to be great value right through the period of study. As a torch bearer in the constructive sense of the term, she had been a tower of strength to me all along therefore I thank her from the very depth of my heart.

Shri. A.P.C.V. Chokalingam and A.P.C.V. Shanmugam, President and Secretary of the VOC College of Education, Thoothukudi richly deserve to be thanked next for being my intellectual guardians. It is their blessings that I hold primarily responsible for my success as researcher today.

I am thankful to Dr. V. DHAMODARAN, Principal and Staff Members of V.O.C. College of Education, Thoothukudi, for their kind co-operation and encouragement throughout the investigation.

I thank the Librarian, V.O.C. College of Education, Thoothukudi, for her valuable support during the course of this study.

I am also thankful to Principals and Headmasters of schools in Nammakkal District, for their kind co-operation to carryout this study in their schools.

I am also grateful to Major A. Balasubramanian, Principal, School of Education, SASTRA University, Kumbakonam for his moral support throughout the period of study.
I am also grateful to the members of the staff of the School of Education, SASTRA University for their sincere support.

I am deeply indebted to my parents Mr.K.N.Ramasamy and Mrs.K.Thangammal for their encouragement and support for the completion of the thesis.

I am also extremely grateful to Mrs.K.Sarojini, my wife who has been supporting force in each step of this golden venture. My lovable thanks are due to K.S.R. Sathya Prarthana and R.Divakar my children for their kind co-operation in executing the present study.

I also extend my deep sense of gratitude to all those who were behind me in conducting this study and bringing out this thesis in the present format.

Finally I thank all the members of my family for their support. My special and specific thanks are due to Shri. P.K. Subramanian my beloved brother in law to whom I dedicate this thesis.
