ACKNOWLEDGEMENT

It is the great humility. I thank God almighty who leads me all through this thesis “Beneficiaries Opinion on Service Sector - PHC in Thoothukudi District”.

I consider it my privilege to express my deep sense of gratitude and indebtedness to my Guide and Supervisor Dr. G. Paulraj, Assistant Professor, P.G. and Research Department of Commerce, V.O.Chidambaram College, Thoothukudi, the guide of the project for guiding and correcting various documents of mine with special attention and care. He has taken much care to go through the project and make necessary correction as and when needed. He has given his suggestions and idea throughout the research work.

Two persons deserve my gratitude more than any others. Thiru A.P.C.V. Chockalingam, Secretary, V.O.Chidambaram College, Thoothukudi, and Thiru A.P.C.V. Shanmugam, Secretary, V.O.Chidambaram College of Education, Thoothukudi has the prime force behind this work my indebtedness to him is more than what I could ever express in words. Both of them were part of my higher education as I passed through its different phases. Their support and assistance made my education accessible and this research possible.

I record a very deep indebtedness that goes beyond this thesis. I am indebted to Dr. C. Veerabahu, Principal, V.O.Chidambaram College, Thoothukudi for often motivating me to articulate myself and for his reassuring words whenever I was in doubt of myself and I sincerely thank to our former
Principal **Dr. A. Francis** and **Thiru. S. Maragathasundaram**, for giving me permission for doing research and help rendered during my research work.

During the course of my work, I was supported by **Dr. S. Ramesh Kumar**, M.Com, M.B.A., Ph.D., Head of the Department of Commerce, V.O.Chidambaram College, Thoothukudi. His encouragement and advice helped me at very crucial moments. I thank my teachers at the Postgraduate and Research Department of Commerce, V.O.Chidambaram College, Thoothukudi for teaching me the rudiments of Commerce and inspiring me to pursue my research in this field.

I owe my indebtedness to people who provided data at the **Thoothukudi Villages and Thoothukudi Primary Health Centres** where the study was undertaken.

I thank my fellow researchers for practical and administrative assistance during my research work.

My doctoral education was made possible by the unreserved assistance and the never failing support of my family. I thank each one of them.

**V. Sangeetha**
