ACKNOWLEDGEMENT

Faculty of feeling in human nature has ever been beyond description. The valuable help and guidance that various persons have extended to me will ever be beyond my dictionary.

First and foremost, it is my pleasure and my proud privilege to have worked under the guidance of my respected supervisor Dr. M.Z. Abdin, Reader, Centre for Biotechnology, Hamdard University, New Delhi. I have always been impressed and inspired by his way of doing work and analyzing things. He has been an impelling force in me throughout my work in the laboratory. He gave me full academic freedom to pursue study with ease and confidence. Above all his loving care and friendly attitude has transformed many aspects of my life and triggered in me a miraculous drive work.

I express my sincere gratitude to Prof. S.K. Jain, Head, Centre for Biotechnology for his constant encouragement and providing me necessary facilities to effectively carry out this work.

I esteemed it a privilege to record my profound sense of gratitude to Prof. M.A. Baig, Dean, Faculty of Science, Hamdard University, New Delhi. I have been fortunate to be inspired by his affectionate behaviour and dynamic innovative nature throughout the period of my study.

I candidly feel that the words will hardly register the message of my indebtedness originating from the core of my heart to all faculty members, particularly Prof. P. S. Srivastava, Prof. M. Iqbal, Prof. M. Athar, Dr. Saleem Javed, Dr. Farhat Afrin, Dr. Sandeep Das, Dr. Javed Ahmad, Dr. M.P. Sharma, Dr. T.O. Siddiqui, Dr. Mahmooduzzafar, Dr. Ehsan Ahmad Khan, Dr. Fakhruz Islam and Dr. Haider Ali Khan for their encouragement and academic support during the course of my research work.

In this scientific pursuit helping hands and moral boosting words of my bosom friend, Sunita Kumari had a significant role. I extend my sincere thanks to her for her ever ready gesture to help and constant encouragement throughout.

My earnest gratitude goes to my lab mates Dr. Altaf, Dr. Neceru, Dr. Arshi, Dr. Israr, Dr. D. V. Singh, Dr. Reiaz, Dr. Ishrat, Mrs. Nuzhat, Dr. Irfan, Dr. Saista, Dr. Inayat, Mr. Saif, Mrs. Samina, Mr. Rajeev, Mrs. Rashmi, Mr. Amjad, Mr. Gayas, Mr. Nizam, Mr. Nizamuddin and Ms. Najiya for their co-operation and lively company.

I am also thankful to Dr. Deepsikha, Dr. Sanjeev, Dr. Alka, Mrs. Sapna, Ms. Tulika, Mrs. Mariyam, Mrs. Nisha, Dr. Waseem, Dr. Kishwar, Mrs. Pooja, Mr. Madni,
Mrs. Promila, Mr. Pankaj, Mr. Sahjad, Ms. Babita, Ms. Frah and Mr. Faraz for cooperation and moral support during my Ph. D.

Thanks are also due to Dr. S.D. Sharma, Hafeejuddine Sir, Farooqui sb., Abid bhai, Imtiyaz, Phool Mohammad, Nisar, Hasmat and Anwar Bhai for their help during my experimental work.

Acknowledgement will be incomplete without expressing my sincere thanks to my beloved Zafer Bhai, Samdun Aapa, Malik Chacha and Abba for providing me affectionate encouragement, co-operation, blessing and love which made it possible for me to reach this level.

I am also grateful to my wife and son for their immense level of love, co-operation, patience and tolerance, which helped me to achieve this goal.

The financial assistance from TMOP&M/CSIR in the form of JRF & SRF is gratefully acknowledged.

At the end, I pray to Allah that He at all times guide me onto the right path and provide me with ample opportunities to fulfill the dreams of my family. Aamin!!!
