ACKNOWLEDGEMENTS

It is my pleasure to express my sincere thanks to many people those are directly or indirectly involve in my Ph.D. work. At first I would like to thank my supervisor, Dr. Kulamani Parida, Chief Scientist, C & MC Dept., IMMT, Bhubaneswar, for giving me the opportunity to work under his supervision. I express my profound sense of gratitude to him for giving inspiration, strong motivation, time to time careful and fruitful supervision, support as well as allowing me to think and built own independent concept to carry out such innovative research work.

I cannot forget to thank my co-supervisor, Prof. (Dr.) Mira Das, Associate Dean, ITER, SOA University, Bhubaneswar for her encouragement and strong support to carry out my research work.

I would like to express my thanks to Prof. B. K. Mishra, Director, IMMT and scientists from C & MC department, for allowing me to pursue my experimental work. In the technical aspect of the thesis work, I would like to thank Dr J. Das, Dr. D.P. Das, Dr. Debadhyan, Mrs. Swagatika, Mr. Ajit and Mr. Jogesh. Thanks to my juniors Gobinda, Lagnamayee, Soumya, Niranjan, Biswabidhita, Gopa, Satyabadi, Hemalata, Mita, Naseem, Gajendra, Surjya, Deepak, Susangini for their constant involvement and encouragement. I really thanks to Dr. Amaresh Chandra Pradhan for his constant motivation and immense help to carry out my research work.

I express my deep regards to Prof. (Dr.) Manoj Ku. Nayak, President, SOA University, Prof. R. P. Mohanty, Hon’ble Vice-Chancellor, SOA University, Prof. B. K. Sarap, Dy. Chairman, ITER, Prof. R. K. Mishra, Dean, ITER, Prof. (Dr.) Sujata Mishra, HOD, Chemistry, Prof. U. N. Das, Prof. of Chemistry for their constant support and encouragement I could able to did my PhD Work. I would like to thank all my colleagues for providing comfort and laugh in a seemingly foreign world and for reminding me that there is more to life than just chemistry.

I would like to express my deepest gratitude to my family members, my parents, my husband (Dr. Brajabandhu Nanda), my son (Ayush) and my in-laws, as they are the catalyst to motivate me. You all have made the greatest sacrifice to get me here. This piece of work is possible because of your unending support, love and affection.

(Binita Nanda)
