ACKNOWLEDGEMENT

I feel a great pleasure in expressing my deep sense of gratitude and reverence towards my teacher and eminent research guide Prof. V.A. Sawant, Department of Zoology, Shivaji University, Kolhapur. Words fail to express my feelings towards him for valuable guidance, many inspiring discussions, timely advice and criticism for completion of my work.

I am thankful to the University authorities, Prof. D.V. Muley, Registrar and Prof. T.V. Sathe, Head, Department of Zoology for providing the necessary facilities to carry out this research work.

I extend my sincere thanks to all my colleagues, non-teaching staff and my students who helped me whenever needed. I thank all my well wishers as well.

I extend my heartfelt gratitude towards my family for their support, encouragement, sacrifice and tolerance. My most sincere appreciation goes to my husband Atul, and my beloved children Pranita and Yojit, they indeed have been the ideal support to me. No words are enough to thank my mother who had been a constant support and encouragement throughout this work.

Above all I thank God for all His provisions.
