ACKNOWLEDGEMENT

It gives me an immense pleasure to express my gratitude to my research-guide Prof. Dr. V. N. Bapat, who met like an oasis. He has put in exemplary inspiration and guidance without which this work would have not taken the present shape. Working with him has been a great joy, which was not at all spoiled by customary formalities and unnecessary fuss about rules and regulations.

I express my sincere thanks to Principal, Rajarambapu Institute of Technology, Sakhrale, Sangli for their considerable help and co-operation during the course of my research work. I express my sincere thanks to Head, Department of Electronics Engineering and Dean, Research and Development activities, Rajarambapu Institute of Technology, Sakhrale, Sangli for providing the required facilities and encouragement throughout this work.

I express my explicit thanks to Shri. M. N. Navale, Founder President, Dr. Mrs. Sunanda M. Navale, Founder Secretary, Mr. Rohit M. Navale, Vice President (HR) and Miss. Rachana M. Navale, Vice President (Admin), SSTES, Pune for providing continuous and enthusiastic support during the entire stages of this work. I also thank Dr. S. D. Lokhande, Principal, SCOE, Pune, for his wholehearted cooperation and guidance.

My special thanks to Dr. M. B. Mali, Head of the Department, Dr. A. D. Jadhav, Prof. V. V. Dixit of E & TC Department, SCOE, Pune for constant support and encouragement. Dr. M. S. Gaikwad and Dr. M. P. Ghatule, of Sinhgad Institutes have given their precious suggestions and help throughout the research work. Many thanks to them. I take this opportunity to express my gratitude towards my father Prof. R.B. Patil, mother Mrs. Sumangala and Mr. Shantisagar Patil who groomed me to rise to such a status.
I am indeed thankful to Mrs. A.V. Bapat for a hot and steaming cup of tea in every visit to their lovely home of great hospitality.

I am extremely obliged to Mr. & Mrs. M.P. Ghatule for their magnificent articulation in editing and printing the thesis and extending all possible help without any barriers throughout the time of research work.

I express my sincere thanks towards Shivaji University, Kolhapur and all the staff members who helped me in various aspects required for the completion of the work successfully. My special thanks to Mrs. Khanvilkar, BUTR, Shivaji University, Kolhapur.

I would further like to extend my thanks and appreciation to all the reviewers who spent their valuable time in reviewing my work and helped me in bringing novelty through their suggestions.

Finally, I express my gratitude towards my husband, Mr. Shashikant, whose constant support, patience, motivation and interest encouraged me in carrying out this research work. I also appreciate my twin daughters, Aboli and Sayali who were most understanding personalities throughout the journey. They kept all their expectations and desires aside making the Research-Activities more comfortable and joyful.
