ACKNOWLEDGEMENT

The motivation and success of my research has got its root in the venerable person of my GURU, FRIEND and GUIDE, Dr. H.K. Pathak, Head, Dept. of Mathematics, Kalyan Mahavidhyalaya, Bilai. Without his encouragement and guidance, this thesis could not have come to its present form. I, take this opportunity to express my sincere thanks to him.

I would also like to express my sincere thanks, to Dr. V. Popa, Dr. Y.J. Cho, Dr. S.S. Chang & Dr. S.M Kang for their valuable suggestions and help during my research work.

I am highly indebted to Prof. M.S. Khan, Prof. S.N. Lal and Prof. A.H. Sidique for their kind co-operation and help during my research work.

I am also very much thankful to Prof. Z.U. Ahmed, Ex-Chairman, Dept. of Mathematics, A.M.U, and other staff of that department, for their kind hospitality given to me, when I had been their to collect the Literatures. My thanks are also due to the Librarian of Ramanujan institute of Mathematics, for sending me the xerox copies of some recent research papers.

I am also grateful to Prof. T.S. Thakur, Principal, Kalyan Mahavidhyalaya, Bilai, for his encouragement and the library and other facilities provided for me.

I am grateful to Mr. Mers Thomas and Ms. Lata for helping me in getting the printouts neatly and in time.
Finally I would like to register my sincere thanks to H.G. Dr. Stephanosmar Theodosius, Manager Bishop, St. Thomas college, Bilai and Prof. T.O. Zacharia, Principal, St. Thomas college, Bilai, for their kind blessings and encouragement throughout my research period. I am also very much grateful to my colleagues for their constant encouragement and enquiries during my research work.

Remy George
Dept. of Mathematics
St. Thomas college.
Bilai, (M.P) 490006.
