I have constantly looted to the fullest, knowledge and affections from my teacher, Professor Suresh Chandra, Department of Physics, Banaras Hindu University, Varanasi, since the onset of my educational career. I have faulted many times and yet he has been patiently correcting me with a very personal care and affection. The completion of this work, therefore, imbibes in me the firm faith in my teacher and no word can pen my feelings for him.

I am indebted to Dr. R.K. Thakur, Head, Department of Physics, Ravishankar University, Raipur, for constant encouragement and help throughout this work. Valuable cooperation received from Dr. R.K. Mishra and Shri K.S. Patel, Department of Chemistry, Ravishankar University is gratefully acknowledged. All the employees of the Department of Physics, Ravishankar University have been extremely cooperative. I would particularly thank Mr. A. Salam for his help and for training me in workshop technique.

The Solid State Research Group of Physics Department, B.H.U., Varanasi has been of immense help. I am particularly indebted to Prof. P. Krishna, Dr. G. Singh, Dr. O.N. Srivastava,
Shri Anand Singh, Shri R.S. Rai, Shri Ram Singh, Shri B.K. Tiwari and Shri A.K. Singh.

Helpful suggestions received from Dr. G. Hodes, Department of Plastics Research, The Weizmann Institute of Science, Israel, is gratefully acknowledged.

In the course of this work, there have been occasions of disappointments. I am deeply moved to recall the tender affection and care I received from Mrs. Usha Chandra. I am overjoyed to recall the loving affection of my little friend Rishu whose presence is always a refreshing and welcome departure from the gruesome work of research.

I am indebted to my friends Rakesh Agrawal and Dilip Dongaonkar who always gladly shared my problems and worries. I extend my hearty thanks to my seniors, Dr. M. Saleem, Shri R.P. Shrivastava and colleagues Anup Dutta, A.K. Ambastha, Bipul Chattopadhyay, A.K. Jaiswal and S.N. Sahu for help and encouragement.

I am thankful to Sarvashri Satyanarayan, Radhey Shyam and Sharda of Typing Centre, Durgakund Road, Varanasi for excellent typing of this thesis.

Financial assistance received from U.G.C., New Delhi is gratefully acknowledged.
