List of Tables

1. Table 4.1: t scores of the EG and CG on Emotional Intelligence 126
2. Table 4.2: t scores of the EG and CG on various scales of Executive Function 129
3. Table 4.3: t scores of the EG and CG on Optimism and Hope 133
4. Table 5.1: Mean, SD, t score and significance level on Interpersonal, Intrapersonal, Stress Management and Adaptability Scales on Bar On - EQ. 135
5. Table 5.2: Mean, SD, t score and significance level on General Mood, Emotional quotient, Positive impression and Inconsistency Index Scales on Bar On - EQ. 136
6. Table 5.3: Mean, SD, t score and significance level on Color Trails I and Color Trails II. 138
7. Table 5.4: Mean, SD, t score and significance level on Digit Vigilance task. 139
8. Table 5.5: Mean, SD, t score and significance level on all tasks of Stroop Task. 140
9. Table 5.6: Mean, SD, t score and significance level on number of problems solved with minimum moves in Tower of London task (TOL). 141
10. Table 5.7: Mean, SD, t score and significance level on mean number of moves taken to solve the problems in Tower of London task (TOL). 142
11. Table 5.8: Mean, SD, t score and significance level on mean time taken to solve the Problems in Tower of London task. 143
12. Table 5.9: Mean, SD, t score and significance level on Digit Symbol Substitution Task. 144
13. Table 5.10: Mean, SD, t score and significance level on Optimism and Hope. 145
14. Table 5.11: Mean, SD, F and significance level on Interpersonal, Intrapersonal, Stress Management and Adaptability Scales on Bar On - EQ. 147
15. Table 5.12: Mean, SD, F score and significance level on General Mood, Emotional quotient, Positive impression and Inconsistency Index Scales on Bar On - EQ. 151
16. Table 5.13: Mean, SD, F and significance level on Color Trails I and Color Trails II.

17. Table 5.14: Mean, SD, F and significance level on Time taken and Errors made in Digit Vigilance task.

18. Table 5.15: Mean, SD, F and significance level on all tasks of Stroop Task.

19. Table 5.16: Mean, SD, F and significance level on number of problems solved with minimum moves in Tower of London task.

20. Table 5.17: Mean, SD, F and significance level on mean number of moves taken to solve the problems in Tower of London task.

21. Table 5.18: Mean, SD, F score and significance level on mean time taken to solve the problems in Tower of London task.

22. Table 5.19: Mean, SD, F score and significance level on Digit Symbol Substitution.

23. Table 5.20: Mean, SD, F score and significance level on Optimism and Hope.
