I owe a huge debt of gratitude to my supervisor **Prof. C S P Rao** who introduced me to the research community and evoke my interest in pursuing the doctoral degree. Academically and personally, I am very fortunate to have **Prof. C S P Rao** as my supervisor. Undoubtedly, it was his guidance and technical insights that enabled me to complete this research successfully. I am extremely grateful to him for sharing his invaluable ideas. His enthusiasm for research is always a source of motivation to me. He not only guided me through the process but also taught many valuable lessons of life. Clearly, this study would not be possible without him.

I am deeply indebted to my Co-Supervisor **Prof G.Ranga Janardhan**, Department of Mechanical Engineering, JNTU, Vijayanagaram, for his guidance and constructive feedback on my work. I would like to express my deep gratitude to him for his direction, suggestions and encouragement throughout the development of this research work. I place my heartfelt thanks on record to the authorities of the Jawaharlal Nehru Technological University, Hyderabad for providing an opportunity to work for my Ph.D course in the part-time mode.

I would like to thank **Dr. K. Eswaraiah, Dr.B.Siva Prasad Reddy** and **Sri.Ch.S.R.Sastry** for their incisive comments and inspirational support during the period of my research work.
I would like to thank my friends Dr. V.Mahesh, Prof. S.R Engineering college, Dr. L. Siva Rama Krishna, Asst. Prof, Osmania University, M.V Satish Kumar, Assoc. Prof, KITS, Singapur, Huzurabad for their invaluable support and motivation throughout.

I am thankful to my colleagues and the management of Kakatiya Institute of Technology & science and VMR Polytechnic, Warangal for their unstinting encouragement.

I would like express my deepest gratitude to my beloved parents, brothers, sisters-in-law, sister and brother-in-law for their great inspiration that fondly helped me to finish the work.

I am greatly indebted to the unknown examiners whose critical comments had helped me to improve the quality of the thesis to a great extent.

Last but not least, I would like to express my gratitude to my spouse Smt. P.Samatha, daughter Spoorthy Shivani and son Sai Sathwik for their encouragement, love and support throughout the doctoral research.
