ACKNOWLEDGEMENT

1) I, would like to express my sincerest and deepest gratitude to my Guru, my guide Dr. Vidya Hattangadi, who has been the motivating force behind this thesis. She has been a constant source of support right from the selection of topic till the final draft. She has always offered her encouragement even at times when I was not sure of the next step.

2) I would like to thank Jankidevi Bajaj Institute of Management Studies and SNDT University for giving this opportunity to researchers like me to expand our knowledge horizons. I would especially like to extend my heartfelt gratitude to Dr. Gulnar Sharma, the Director of Jankidevi Bajaj Institute of Management Studies and her staff who are extremely supportive and cooperative and serve as facilitators for first time researchers like me. Their constant support and guidance are a huge motivation for researchers wishing to undertake a PhD. study.

3) I extend my gratitude to the University Grants Commission, New Delhi, for granting me two years study leaves under their Teachers Fellowship, Faculty Development Program me, which enabled me to concentrate on my thesis.

4) I would also like to thank the Principal and staff of R.D. National College who relieved me from my college duties which allowed me to focus on my study.

5) I take this opportunity to extend my gratitude to all the Creative Directors of the Advertising Agencies who I visited, Marketing Directors of all the Media Houses I visited, Marketing Personnel of the service providers I visited and the Secretary General of ASCI, Mr. Alan Collaco, who took time off their busy schedule to grant me personal interviews which provided me very valuable insights into the advertising agency perspective, media perspective and the client perspective.

6) Special thanks are in order for Prof. J. C. Sharma who offered his valuable insights into the data analysis and the use of statistical tools.

7) A special mention must be made of Dr. A.A. Rashid, Principal, Tolani College of Commerce & Economics, who was my Professor at N.M. College. His guidance in interpreting the research findings was very valuable. I am truly indebted to him.

8) I, would like to thank Prof. Rajesh Devasia, who offered his expertise in the field of Research Methodology, the process of conducting research.
9) Thanks are also due to Prof. Deepak Salve, Sant Gadge Maharaj College, who was instrumental in explaining the process of suggesting recommendations based on the findings of the study.

10) A special mention to all my students who provide me the youthful inspiration as they form the largest target audience with their awareness of advertisements and being one of the highest users of mobile services. They form the largest chunk of end users and thus contribute greatly to forming the consumer perspective.
