ACKNOWLEDGEMENT

I feel immense pleasure in expressing my deep sense of gratitude, sincere regards and esteemed reverence to Dr. V. V. Umrania, my research supervisor, Associate Professor & Head, Department of Microbiology, MVM Science & Home Science College, Rajkot, for expertly evaluating, judiciously correcting and continually offering his inspiring guidance, constant encouragement and help during the course of investigation and preparation of manuscript.

I also express my unboundful and sincere thanks to Dr. B. A. Golakiya, Professor and Head, Department of Biotechnology, Junagadh for his invaluable suggestions and seeing critically manuscript.

I am greatly indebted to Prof. Girish Bhimani, member of Academic Council & Syndicate, Saurashtra University, Rajkot, Prof. S.P. Singh, Head, Department of Bioscience, Saurashtra University, Rajkot and Dr. Dhiren D. Pandya, Assistant Registrar, P.G. Section, Saurashtra University for their kind encouragement and valuable guidelines in all times.

I deeply express my gratitude to Dr. K. J. Ganatra, Principal, MVM Science & Home Science College, Rajkot for his constant and precious support.

My sincere thanks are also to Dr. S. V. Patel, Assistant professor, Department of biotechnology, Dr. (Ms) M. K. Mandavia, Professor and Head, Department of Biochemistry, Dr. H.P.Gajera, Associate Professor of Biotechnology, Dr. U. K. Kandoliya, Assistant Professor of Biochemistry, J.A.U., Junagadh for their help during my research work.
I express my special gratitude to lab Technicians Mr. Vijay Vyas, Mr. Hitesh Hirpara, Mrs. Nayna Vaghani. from biotechnology department J.A.U. junagadh for helping me throught my research work.

I convey my special thanks to Dr. Vrinda S. Thaker, Dr. V.C. Soni, Dr. Sumitra V. Chanda, Dr. Rahul Kundu, Dr. B.R.M. Vyas, Dr. Nilesh S. Panchal and other faculty members of the Department of Bioscience, Biotechnology, Biochemistry and Pharmacy, Saurashtra University for their encouragement and moral boosting.

I am also thankful to my friends and colleagues Neha Bodar, Nimita Patel, Megha Vadukiya, Komal Vaja, Viren Bhalani and Bhagyawanti Chomal who supported me directly and indirectly to complete this research work.

I also express my gratitude to Dr. Jatin J. Upadhyay, Dr. Chetana M. Rajyaguru and Ms. Renu P. Panjabi, the faculty of MVM Science & Home Science College, Rajkot for their constant encouragement and moral support.

I deeply express my heartfelt gratitude to my mother Mrs. Rajiben Parmar and my father Mr. Jethabhai Parmar for their vital support which kept me going throughout my research work. I would remiss if I do not express my debt to all my family members including my husband Mr. Sahdev, son Pruthviraj, my sisters Rita & Bhumi, my brother Nirav and bhabhi Alpa, nephew Dhairya and niece Tulsi for personal sacrifice, everlasting love, moral support and encouragement during the period of my study. Their affectionate love and care cannot be expressed fully.

With limitless humility, I would like to praise and thank the Goddess ‘SARASWATI’ and “Baba Vishwanath”. The almighty, the Merciful compassionate who bestowed me with all the favourable circumstances to achieve the desired goal of life through this crucial juncture.
