Yadav, C.M.S., District Male Hospital, Hamirpur (U.P.) and Girdhari Lal Kushwaha, Bank Manager, S.B.I., Jhalokhar, Hamirpur (U.P.) for their keen interest, propelling inspiration, informative and critical discussions, valuable suggestions and directions and selfless support as and when needed.

Memories play an important part in keeping special people close at heart. I can’t forget the sweet memories of the time that I have spent with my colleagues and friends. I owe a lot to them for valuable suggestions, constant moral support, kind co-operation and timely help in the fulfilment of this research work.

I commit this effort to my Divinity, Guruji, Dr. Suresh Singh Parmar (Papa), Kunti Parmar (Mummy) and Avinash Parmar (Brother) for giving me encouragement and moral support all the time. I acknowledge with gratitude the help and support i received from my family who suffered a lot to keep me free from social responsibility and her constant emotional support is the actual driving force that enabled me to reach this stage today. The completion of this thesis is not only fulfillment of my dreams but also the dreams of my parents who have taken lots of pain for me in completion of my higher studies.
