Chapter -1 ................................................................................................. Error! Bookmark not defined.

1. INTRODUCTION ..................................................................................... Error! Bookmark not defined.

1.1 History .................................................................................................. Error! Bookmark not defined.

1.1.1 Indian Agrochemical Industry ........................................ Error! Bookmark not defined.

1.1.2 Global Agrochemical Industry ........................................ Error! Bookmark not defined.

1.1.3 Agrochemical Companies ................................................ Error! Bookmark not defined.

1.1.4 Sales promotion ................................................................. Error! Bookmark not defined.

1.2 Problem in hand ............................................................................... Error! Bookmark not defined.

1.3 Scope of Research ........................................................................ Error! Bookmark not defined.

1.4. Organization / Product / Process ........................................ Error! Bookmark not defined.

1.4.1 Product- Brand Matrix ......................................................... Error! Bookmark not defined.

1.4.1.1 Insecticide ........................................................................ Error! Bookmark not defined.

1.4.1.2 Fungicide ......................................................................... Error! Bookmark not defined.

1.4.1.3 Herbicide ......................................................................... Error! Bookmark not defined.

1.4.1.4 Plant Nutrition Products ................................................. Error! Bookmark not defined.

Research Objective & Research Hypothesis ................................ Error! Bookmark not defined.

1.5 Research Objectives ........................................................................ Error! Bookmark not defined.

1.5.1 Sub Objectives ........................................................................ Error! Bookmark not defined.

1.6 Hypothesis of the Research ........................................................ Error! Bookmark not defined.

1.6.1 Insecticide ........................................................................ Error! Bookmark not defined.

1.6.2 Fungicides ............................................................................. Error! Bookmark not defined.

1.6.3 Herbicides ............................................................................. Error! Bookmark not defined.

1.6.4 Plant Nutrition Products ....................................................... Error! Bookmark not defined.
1.7 Details of the Brand Undertaken For Research

1.8 Assumptions for the study

Chapter - 2

2. REVIEW OF LITERATURE

2.1 Agrochemical Industry landscape

2.2 Agrochemical Product Marketing In India

2.3 Global Agrochemical Product Marketing

2.4 sales promotion types and preferences

2.5 Impact sales promotions

2.6 Influence of Sales Promotions on CBBE

2.7 The differential effects of monetary & non-monetary Promotions

2.8 Sales promotion in relation to advertising

2.9 Building Brands In agrochemical & other sectors

2.10 Brand Equity

2.11 Consumer Based Brand Equity (CBBE)

3. Research Methodology

3.1 Universe and sample

3.2 Sample Profile

3.3 Sector of Research

3.4 Variables in the Study and Measurement
3.5 Tools used for the research........................................Error! Bookmark not defined.
3.7 Development of questionnaire ................................Error! Bookmark not defined.

Chapter 4 ........................................ .............................................Error! Bookmark not defined.

4. DATA COLLECTION, ANALYSIS AND INTERPRETATIONError! Bookmark not defined.

4.1 Demographic representation of Respondent ..........Error! Bookmark not defined.

4.1.1 Respondents segmentation on the basis of Demographic VariableError! Bookmark not defined.

4.1.1 (A) Age Group of Respondents .......................Error! Bookmark not defined.
4.1.1 (B) Land holdings of Respondent ......................Error! Bookmark not defined.
4.1.1 (c) Academic credential of Respondent: .............Error! Bookmark not defined.
4.1.1. (D) Household income of Respondent: ...........Error! Bookmark not defined.
4.1.2 Brand preference of respondents .....................Error! Bookmark not defined.

4.2 Reliability Testing- Pilot study ............................Error! Bookmark not defined.

4.2.1 Reliability Analysis of pilot Study of InsecticideError! Bookmark not defined.
4.2.2 Reliability Analysis of pilot Study of FungicideError! Bookmark not defined.
4.2.3 Reliability Analysis of pilot Study of HerbicideError! Bookmark not defined.
4.2.4 Reliability Analysis of pilot Study of Plant Nutrition ProductsError! Bookmark not defined.

4.3 Reliability Analysis of Main Study .....................Error! Bookmark not defined.

4.3.1 Reliability Analysis of Insecticide - Main StudyError! Bookmark not defined.
4.3.2 Reliability Analysis of Fungicide – Main studyError! Bookmark not defined.
4.3.3 Reliability Analysis of Herbicide – Main studyError! Bookmark not defined.
4.3.4 Reliability Analysis of Plant Nutrition Product – main studyError! Bookmark not defined.
4.4. Impact of Sales Promotion on CBBE Constructs of Agrochemical Products

4.4.1 Impact of Sales Promotion on CBBE Constructs - Insecticides

4.4.2 Impact of Sales Promotion on CBBE Constructs of Fungicides

4.4.3 Impact of Sales Promotion on CBBE Constructs of Herbicides

4.4.4 Impact of Sales Promotion on CBBE Constructs of Plant Nutrition Product

Chapter 5

5. RESULT & DISCUSSION

5.1 Insecticides

5.1.1 Inference of ANOVA for Impact study on CBBE

5.1.2 Analysis of Hypothesis for Insecticides

5.1.3 Hypothesis testing for differential impact of price promotion and Premium promotion on CBBE

5.1.4 Inference of Hypothesis testing for Insecticide

5.2 Fungicides

5.2.1 Inference of ANOVA for Impact study on CBBE of Fungicides

5.2.2 Analysis of Hypothesis for Fungicides

5.2.3 Hypothesis testing for differential impact of price promotion and Premium promotion on CBBE

5.3 Herbicides

5.3.1 Inference of ANOVA for Impact study on CBBE

5.3.2 Analysis of Hypothesis for Herbicides
5.3.3 Hypothesis testing for differential impact of price promotion and Premium promotion on CBBE

5.3.4 Inference of Hypothesis testing for Herbicide

5.4 Plant Nutrition Products

5.4.1 Inference of ANOVA for Impact study on CBBE

5.4.2 Analysis of Hypothesis for Plant Nutrition Products

5.4.3 Hypothesis testing for differential impact of price promotion and Premium promotion on CBBE

5.4.4 Inference of Hypothesis testing for Plant Nutrition Products

Chapter - 6

6. Summary & Conclusion, Recommendation, Limitation of research & Scope of the study

6.1 Summary of impact of sales promotion on Insecticides Category

Hypothesis testing for differential impact of price promotion and Premium promotion on CBBE

Conclusion of Hypothesis testing for Insecticide

Inference of Hypothesis testing for Herbicide

Conclusion of Hypothesis testing for Plant Nutrition Products

6.2 RECOMMENDATION

6.3 FUTURE SCOPE OF STUDY

6.4 LIMITATION OF THE RESEARCH

CHAPTER – 7

Annexure – I (Questionnaire for Survey)
