ACKNOWLEDGEMENT

It is with heartfelt gratitude and respect, that I acknowledge my guide Dr. M. V. Rao, Professor and Head, Department of Zoology, Gujarat University, Ahmedabad, for his resplendent and genuine guidance which enabled me to complete this task successfully.

I am very much grateful to Prof. Dr. (Miss) N. J. Chinoy, Ex -Director, University School of Sciences, Gujarat University, Ahmedabad, for her most valuable admonition and tireless interest in this investigation.

I am very much thankful to The Management, Jai Research Foundation, Valvada, Gujarat for providing the facility for carrying out the experiment and Dr. S.Y. Pandey, Joint Director, Jai Research Foundation, Valvada for his support and furtherance in devising this work.

It gives me great pleasure to record my deep sense of gratitude to Dr. B. V. David, Former Director, Jai Research Foundation, Valvada for his moral sustenance and inestimable suggestions throughout the period of my study.

I wish to thank past and present staff of Jai Research Foundation, Valvada, Gujarat and colleagues of Department of Zoology, Gujarat University, Ahmedabad, who have helped me to complete this monograph. In particular it is a pleasure to acknowledge the indispensable support given by Dr.N. Sadasivam, R.D. Sivakumar, S.M. Kesavan, B. Navin Rajesh, Dr. D.S. Prakash, Dr. Ranvir, Dr. M.B. Nandanwar, S. Rashmi, V. Somasundar, Dr.M.R.Balaji and M. B. Suthar.

I am very much thankful to my wife, son and sister for their constant prayers and motivation throughout the tenure of this work.

Above all the blessings of my parents and the grace of the Almighty cannot be acknowledged by mere words alone. It is His blessings that had enabled me to complete this work.
