ACKNOWLEDGEMENT

The formal acknowledgement will hardly suffice in eulogizing my deep sense of indebtedness and gratitude to my research guide Dr. O.P. Saxena, Head, Department of Botany, Gujarat University, Ahmedabad for his wise supervision during the tenure of my research work. In fact his critical comments and constant inspiration became instrumental in shaping the whole work into a viable and successful achievement.

I am also thankful to Dr. A.B. Vora, Former Head, Department of Botany, Gujarat University for providing all necessary facilities for research work.

I express my heartfelt thanks and gratitude to my senior colleagues Dr. Ashwin Thanki, Dr.(Mrs) Meena Kumar, Dr. (Ms) Shaista Halim and a special word of appreciation to Mr. Hitesh Chaniyara.

My sincere thanks are also to my research colleagues Mrs. Shrabani Bose, Mr. Biju Thomas, Mr. Rajesh Dalsaniya, Mr. Dhaval Vyas, Ms. Dimple Patel, Mr. Himanshu Pandya and my hostel friends Ami Vyas, Vibha Bahuguna and Shital Lodhia for their kind and co-operative attitudes.

I am thankful to my nephew, Ramanik Lodani and his friends Dhanji, Bipin, Kamlesh, Haresh, Arvind, Manish, Alpesh and Mahesh from Gujarat Agricultural University (GAU), Junagadh for their co-operation in statistical analysis of data. I sincerely acknowledge, help of Mr. Sourabhan for typing this manuscript in its final form.

I extend deepest reverence to my parents-in-laws, parents and other family members for their monumental moral support and constant encouragement in shaping my career and especially to my son, Alay A. Chaniyara for his patient endurance in my absence.
