ACKNOWLEDGEMENT

This thesis owes its inception to the encouragement and wise guidance of my teacher Prof. A.B. Vora, Head, Department of Botany, Gujarat University, Ahmedabad. With utmost sincerity and humbleness, I express my profound sense of gratitude to him.

I am also greatly indebted to Prof. C.K. Shah, who introduced me to the field of research, for his heartening words of encouragement and valuable advice at various phase in the course of this investigation.

I also grateful to my teachers Dr. (Miss) Usha H. Acharyya, Dr. O.P. Saxena and to Dr. Alka V. Vyas for their advice and encouragement.

I would be failing in my duty if I don't express my sincere gratitude to Prof. K. Ravi, School of Planning, CEPT, Ahmedabad for his constant encouragement, help and suggestions.

I particularly value the help and suggestions rendered by my seniors Dr. B.J. Apparao, Dr. M.P. Reddy, Dr. D.J. Mohan, Dr. P.C. Skariah and Dr. A.R. Bhatnagar.

Also I extend my sincere thanks to my friend Mr. M. Shanmugam, Depart. of Statistics, L.D. Arts College, Ahmedabad for his patient and kind participation in statistical analysis of the data and for his encouragement.

My thanks are also due to my colleagues Prof. N.D. Rathod, Mrs. Archana U. Mankad, Mr. G. Satyanarayana, Mr. Nebu John, Mr. Pramod Kumar Patel, Miss. K. Pushpalatha, Mr. Shaik Nagoor Galib, Mr. Manucher S. Thagavi and Mr. Charles Macwan for their warm and earnest co operation.
I am indebted to scientists of National Institute of Occupational Health, Ahmedabad for providing the method of fumigation and extending their library facilities, and to Director, Physical Research Laboratory, Ahmedabad for allowing me to use the electron microscopic facilities.

I especially value the typographic assistance of Mr. Suresh P. Marar in the preparation of this thesis. The assistance of Mr. Prasant S. Dholakia (Photographer) is also gratefully acknowledged.

I owe a great deal to my uncles Shri. K.G. Dharan and Shri. K. Pavithran, and all my family members for their love and affection in encouraging me to pursue higher studies.

I would also like to say special words of thanks to my friends Dr. Linz-Buoy George and Mr. Jayant S. Solanki for their brotherly care, affection and whole hearted cooperation through all these years. Great appreciation should also be given to Mrs. and Mr. Lalu-Buoy George, Mr. Pratap Varma, P.R., Mrs. and Mr. K.T. Ramesh Kumar, Mr. Thomas George, Mr. Jameson Joseph, Mr. Mathews Michael, Mr. Roy K. George and Miss. K. Saroja for their care and keen interest.

Finally, my heartfelt thanks go to Miss. Jessymol, K.A. for her loving interest and concern about the completion of my Doctoral research and to my cousin Mr. Sunil, P.G. for his enthusiasm, patience and valuable assistance.

SHAJ1, P.K.
