ACKNOWLEDGEMENTS

I would like to express my deep sense of gratitude to Prof. M.Satyam for his willingness to supervise my research work and his invaluable guidance, support, encouragement and suggestions during technical discussions held at different stages of my research work helped me a lot. He has rekindled my passion for teaching and research and I will forever remain indebted to him for being my mentor and for taking an active interest in the progress of my thesis. Learning and working with him has been one of the most enriching and fruitful experiences of my life. His constant help, constructive comments and ideas helped me to consolidate my research and bring it to the present shape.

I would like to convey my gratitude to Dr. K.Lal Kishore, for his willingness to co-supervise my research work, guidance, support, constructive ideas and suggestions during technical discussions held at different stages of my work inspired me to proceed in this direction.

I would like to thank the Supreme Power, one who has always guided me to work on the right path of the life. Without his grace and love, this would never come to be today’s reality.

I would like to express my gratefulness to Mr. D.Ramana, Lab Assistant, VCE Hyderabad, for his consent in updating the required software in my system time to time without causing much delay to my research work.

I sincerely appreciate the co-operation extended by all my colleagues specially Prof.P.A.Govindacharyulu at Vasavi College of Engineering. I am greatful to the HOD of ECE, Principal and the Management of Vasavi Academy of Education for providing me opportunity to pursue Ph.D.
An important credit for the successful completion of this work goes to my wife Smt. Suneetha, for her patience, understanding and persistent encouragement during the difficult stages of analysis made me to move forward.

My appreciations are due to my kids Sam Prashanth and Suhas for their cooperation and not afflicting me for their tiny needs during the critical stages.

It is a pleasure to express my gratitude for many people who have helped me in one way or another in the course of my journey to complete this work.
