List of Publications and Conference Proceedings

(On the current Research work)

6. Presented a paper entitled “Wave prediction experiments using MIKE 21 SW model” at OSICON, March, 2009, Vishakhapatanam, India

7. Presented a paper entitled “Impact of scatterometer winds on a spectral wave model for the Indian Ocean” at TROPMET2011- National Symposium on Advances in Meteorology, December 14-16, 2011 Hyderabad, India

8. Presented a paper entitled “Impact of altimeter data on coastal wave predictions” at 2nd AltiKa science Workshop, 2011, Ahmedabad, India
