ACKNOWLEDGEMENTS

I thank Dr. (Mrs). Ch. Sasikala, Professor, Bacterial Discovery Laboratory, Centre for Environment, IST, Jawaharlal Nehru Technological University, Hyderabad for accepting my candidature, for her valuable guidance, constant help and encouragement throughout my research work.

I thank Prof. Ch. Venkata Ramana, Department of Plant Sciences, University of Hyderabad, for his guidance in my work.

My sincere thanks to Prof. Dr. Anjaneyulu (Former Head, CEN and Director, IST) for his help and cooperation.

My sincere thanks are due to Prof. (Mrs). M. Laxmi Narasu, Director, IST, JNTU, Prof. M. Anji Reddy, Chairperson-Board of Studies, JNTU and Dr. (Mrs.). V. Himabindu, Assistant Professor, Head Centre for Environment, IST, JNTU, for their help and cooperation.

I would like to thank my colleagues Dr. Archana, Dr. Arunasri, Dr. Girija, Dr. Padmaja, Dr. Apparna, Dr. Anil Kumar, Dr. Srinivas, Sasi Jyothsna, Reshma, Shaleem Raj, Mercy, Sucharitha, Lakshmi, Venkata Ramana, Vinay Kumar, Rahul, Assma, and other research scholars, all the staff members of Centre for Environment, IST, JNTU, and my friend for their motivation and for creating an amicable working environment.

My heartfelt thanks to my father and mother, Mr. G. Sambasiva Rao and Mrs. G. Aravinda whose encouragement and support made me strong enough to withstand the challenges I faced. I express my gratitude to my husband, Mr. M. Loke Nath, and my children Chandradhar Nath and Tanay for their endless patience, unconditional support and understanding.

I am greatly indebted to my uncle A. Sudhakara rao, (Former Registrar, Nagarjuna University) my brother Balaji and my in-laws, for their unwavering love and support. Without their blessings and best wishes I would not have been successful in completing this research work.
