Acknowledgements

To complete any invaluable work efforts and supports by so many people are prime demands and the present thesis is also such a piece of work. I wish to thank everyone who has contributed to this work, those who are not mentioned, but have helped in my work, should know that I thank all of them for everything they have done for me.

First and foremost, I would like to express my deep sense of gratitude to my guide Dr. Anita Bahadur for her precious guidance, continuous encouragement and kind support. I am thankful to her for her keenness to help to complete this dream of life.

I would also like to thank Prof. P. K. Gadodia, Head, Department of biosciences, Dr. S.P Kapadia, Principal and Dr. A. K. Dholakia, Head, Department of Zoology, Sir P.T. Sarvajanik College of Science, Surat for providing necessary facilities during the course of my study. Here, I take this opportunity to thank Prof. P. Bahadur, Head, Department of Chemistry, V.N.S.G.U. for his kind help in adsorption studies. My sincere thanks are to UGC for Rajiv Gandhi National Fellowship award and the team of Government Fish Farm, Valod for providing me fingerlings to carry out my experimental study.

Indebted acknowledgement is made to all my friends at the Department who made my research intellectually motivating. A special note of thanks to my friends and colleagues Jayaben Patel, Dr. Neelam Mishra, Ankita, Paresh, Arpan and Suresh for their invaluable help in my research work. Special thanks are also to Drs. Debmalya Mandal and Ramila Mandal for their constant support.
and suggestions. All the nonteaching staff members, Late shri Magankaka, Dolatkaka, Rohitbhai and Ravjibhai are also well acknowledged for their help whenever I needed.

Finally, and most importantly I heartily thank my beloved parents, parents in-law, brothers Vijay and Dharmesh and sisters in-law Sweety and Sapna and my best friend Sonal for their support and encouragement.

Last but not the least; I thank my husband, Vishal from the bottom of my heart as this dream would not have come true without his constant support.

(Jagruti Barot)
Assistant professor,
Dept. of Biosciences,
V. N. S. G. University,
Surat.
