ACKNOWLEDGEMENT

The words can never express my feelings of deep gratitude, indebtedness and reverence to my esteemed teacher **Prof. Shashi Kalan Mehra**, who has always shown an exemplary keenness and interest in perpetuating my research aptitude. It is my pleasure to acknowledge that without his scholarly guidance, encouraging attitude and the constant interest the work could not have been completed.

I am also thankful to all faculty members – Prof. Shashi Mehra, Dr. S.S. Chahar, Dr. Anjana Garg, Dr. S.S. Dahiya, Dr. Rajesh Kundu and Dr. Jagbir Narwal for their comments and suggestions from time to time during the completion of the work.

At the same time I am thankful to my friends member of library M.D.U for their help and cooperation during the collection of the data. I owe a lot to my parents **Smt. Dhanpati Devi** and **Lat. Sh. Pyare Lal** my elder brother **JWO DPS Khokhar** who stood beside me as a pillar of strength and encouraged me to go for higher studies.

My special thanks are due to my wife **Rekha Rani** for her love, care and support which gave me courage and strength to stand against the tides. I convey my affection to my kids, **Chirag** and **Bharti** for their naughty activities and lovely talk to relax me from stress during the tedious course of work.

Sunil Kumar
