ACKNOWLEDGEMENT

This research report is the outcome of synergistic effort pooled in by many scholars and experts. There were many trying times. Many well wishers supported me in this endeavor. An individual can utilize the opportunity if he / she is provided with one. Sri Ramachandra University, the Institution par excellence had given me an opportunity to pursue my Ph.D., here. I owe a big thanks to the management of Sri Ramachandra University. My sincere thanks are due to the Honorable Vice Chancellor, The Registrar the Controller of Examination, the Dean of faculties and other officials of Sri Ramachandra University for streamlining the program and for guiding me in the right direction.

I deem it as my privilege to be part of the KMCH. My sincere thanks and gratitude to Dr. Nalla G. Palaniswami, M.D. AB. (USA), Chairman and Managing Director for his kind support, encouragement and for permitting me to collect data for my study at Kovai Medical Center and Hospital.

Like the force behind the pistol, the propelling force that has driven me to the completion of this research work is the motivation and guidance of our respected managing trustee Dr. Thavamani D. Palaniswami, MD., AB. (USA), F.A.A.P. The magnificent support and the encouragement she has extended to me are uncomparable. My heart felt thanks are due to Madam.

In the academic pursuit inspirational guidance, facilitation of learning through motivation are the keys to the success. I got an exceptional guide who could offer solution to my queries, supported me in trouble times and motivated me through his high expectation. With gratitude I thank my guide Prof. Dr. M. Jayarajah, M.D., D.M., (Cardio).

Brilliant people speak less and convey more. The guidance, support and motivation of Dr. B.T. Basavanthappa, M.N., Ph.D., were of high caliber. If not for his scholarly guidance and support it would have been impossible for me to complete the study. He had motivated me to ponder deep to solve some of the research problems. I submit my sincere and heart felt thanks to him.
Gratefully I acknowledge Dr. Richard Saldanha, M.S., M.Ch., M.N.A.M.S Professor of Cardiothoracic Surgery, Sri Ramachandra University. The interest, encouragement and his commitment for scruples work motivated me to try better. Amidst of his busy schedules he had gone into details of my study. He never showed reluctance to clarify my doubts and corrected me wherever needed.

I have admired the way Prof. Dr. Nandakumar, M.S., M.Ch., M.N.A.M.S., F.I.A.C.S., Chief Cardiothoracic Surgeon, KMCH guided me, inspired me in my work. The scholarly touch and meticulous corrections given by Dr. Nandakumar have helped me to refine the video and the methodology. The interview featured by him in the video has helped my study participants and prospective patients who would submit themselves for CABG. With lots of appreciation and gratitude I thank him.

I owe special thanks to Prof. A. Vengatesan, M.Sc., M.Phil, for making the tough job of statistical analysis an easy one and helping me to draw meaningful inferences.

My gratitude and thanks are due to Prof. P.V. Ramachandran, M.Sc., (N), Chairman Nursing Education, Sri Ramachandra University and my mentor who has been a source of inspiration, motivation and support through out my career and in this research work. I thank Dr. Jaya Jambunathan, Ph.D., Director Research, University of Wisconsin Oshkosh USA, for her support and encouragement. Her motivation and Guidance were instrumental for accomplishing this task successfully.

Eminent experts Dr. Thomas Alexander, M.D. D.M., F.A.C.C., F.I.C.C., Consultant in Cardiologist, KMCH, Dr. Srinivasan, M.D., D.P.M., Consultant in Psychological Medicine, Dr. P.T. Saleendran, Ph.D., Dr. Rajeswari Vaidyanathan, M.Sc., (N), Ph.D., Principal Ramachandra College of Nursing had validated the tool, and the video. I sincerely thank all the experts for their scholarly support in completion of this research work. Mrs. Erika Weber my good friend extended a helping hand by validating the yoga relaxation interventions and also featured in the video. My thanks and appreciation are due to her.

Though Prof. R. Periasamy, M.Sc., (N), our beloved Dean is not amidst of us today, his encouragement is unmatched. Deep sense sorrow encircles me as I remember him. My thankful tributes to him.
Dr. Sivakumar, MD, DM., Anesthesiologist ,KMCH has been a real source of encouragement. Mrs. Krishnaveni, Nursing Supervisor and other nurses of the cardiothoracic unit contributed in this research project. I wish to express my sincere thanks to them.

Dr. Sharadha Ramesh., M.Sc., (N) Ph.D., Dr. Kanniammal, M.Sc., (N) Ph.D., and Dr. Suseela M.Sc., (N) Ph.D., relieved my tension through their vicarious experience. My MMC friends Dr.Prasannna Baby M.Sc., (N) Ph.D., and Dr. Jaya M.Sc., (N) Ph.D., have encouraged me throughout the study. I appreciate them for their support.

My sincere thanks are due to Dr. O.T. Bhuvaneswaran, Ph.D., M.B.A., Chief Executive Officer and Mr. Natesan, Senior Administrator, KMCR&E Trust for sharing the administrative responsibilities and enabled me to concentrate in my research work. I thank all my faculty members and students who supported me in this research. I thank Mrs.Banu and Mrs. Rameshwari for helping me in this research work.

The former CABG patients Mr.Thankichalam Mr.Madheswaran, Mr.Uthamaraj and Mrs. Shanthi Thankachalam volunteered to share their experience in the video. Mr.Visvanathan, Mr. Sivanesan, Mr. Babu, Mr. Murugan and Mr. Bhaskar helped me in the video and audio preparation. I appreciate their contribution. My study participants provided me an opportunity to serve them. I would like to place on record my humble thanks and gratitude to all of them.

My husband Mr. Ramamoorthy has been very thoughtful and supported me in every aspect of my research work. My father Mr.Sambandam, motherMrs.Pappa daughter R. Niveditha and son R. Narendira Shiva have sacrificed lot of their comforts as I was engaged in data collection and manuscript preparation. My sister Mrs. Kannagi Irudayaraj and her family helped me in getting the needed rare articles from USA, and she carefully edited the manuscript. I appreciate all their contribution with love. My special thanks goes to my friend Mrs.Punitha Manohar and Family.

I thank Lord Almighty for his light, wisdom and providing with such a wonderful opportunity.
