Acknowledgements

I am deeply grateful to my guide Dr. Mukesh. K. Chaudhry, Professor (Finance and legal studies), Indiana University of Pennsylvania, Indiana, USA and co-guide Dr. N.S.Viswanath, Principal and Director, M.P.Birla Institute of Management, Associate Bharatiya Vidya Bhavan, Bangalore, for their help and guidance throughout the research work. Their enthusiasm and dedication for research had lasting effect on my life. They convincingly convened in me the spirit and happiness in doing research and teaching. I owe a debt of gratitude for their guidance, patience and persistent efforts in helping me complete this research.

I would like to express my deepest appreciation to my mentor, Dr. N.S.Viswanath, whose guidance, assistance and suggestions shaped the outcome of my research work.

I dedicate this work to my loving parents, G.Raghava Naik and Jalaja Naik, who have always taught me that anything is achievable in life with a positive attitude and a little bit of faith. They have always demonstrated a sense of engagement in literature, music, technology and other disciplines, which transcends academia and inculcates a sense of pursuit towards learning and reaching new milestones in life. Thank you being such positive role models in life. Thanks are also due to my Brother-in-law, sister, and my wife, who always injected a little humor and sense of responsibility into my life.
