ACKNOWLEDGEMENT

The work presented in this thesis would not have been possible without my close association with many people who were always there when I needed them the most. I take this opportunity to acknowledge them and extend my sincere gratitude for helping me make this Ph.D. thesis a possibility.

My special gratitude to my beloved father late Mr. Kishor Pardhe who was the most inspiration for my successful completion of this research studies and other family members without their support this would have not been possible.

My special words of thanks should go to my research guide, Dr. Jaharkanti Dattagupta, for always being so kind, helpful and motivating. I take this opportunity to express my most sincere gratitude to my research guide for accepting me as his student and his guidance and support made me to complete my research work.

I thank the authorities of Dr. D.Y. Patil Vidyapeeth, the Chancellor, the Vice-Chancellor Dr. P.N. Razdan for giving me the opportunity to do research and providing necessary resources and the environment. I am thankful to Dr. Vellure for constant motivation and support. I am greatly obliged to Dr. Anil Keskar and Dr. Kunal Bhattacharya for their most valuable guidance and constructive suggestions during the study.

I am grateful to my friend Dr. Lavanya Ranganathan and all professional peers, friends, and all others who have directly or indirectly contributed to this research and helped me in completing this study.
