ACKNOWLEDGMENTS

I would like to express my deepest sense of gratitude to Dr. Apurva A. Desai, Professor and Head, Department of Computer Science, Veer Narmad South Gujarat University Surat, my guide, without whom the research could never have been completed. Dr. Apurva A. Desai showed me different ways to approach the research problem and the need to be persistent to accomplish any goal. He provided me valuable guidance and his indepth knowledge of the subject lead me to insight of the topic. This is a great opportunity to express my respect for the support which he has provided to me and the confidence which he has reposed in me for carrying out this study.

Further, I intend to acknowledge the blessings of my grandparents. Moreover I cannot but demonstrate my thankfulness to my beloved parents Dr. Vikram B. Desai and Mrs. Mrudula V. Desai, who paved the breakthrough of research by way of their dream and inspiration. As well as my brother Harshil for moral support and good wishes of my in-laws Mr. Yogesh T. Naik and Mrs. Asha Y. Naik.

Above all, I cannot refrain from thanking Assistant Professors Mr. Gaurav I. Gandhi, Mr. Manish R. Malkani, Mr. Jamshid R. Marolia and Mr. Zakir A. Patel for their support during the research and my heartiest thanks to my friend Mr. Dipesh B. Gulati.

I would like to put on record my sincere thanks to Trustees, Directors, I/C Principals, Administrative staff and my colleagues in the Naran Lala campus for their insightful comments and encouragement.

I desire to express the impact of good luck charm of my son Manaal and the 24*7 support of my loving wife Jigna.
