ACKNOWLEDGEMENTS

It is my pleasant duty to express my sincere regards and grateful obligation to those who have been very helpful during the completion of my work.

I highly thankful to my Supervisor Dr. Sachin B. Pagare Aurangabad (Maharashtra) for his valuable expertise, guidance and supervision. I am immensely indebted for her inspiration, encouragement and guidance, which she showed during the entire period of study.

I have the honor to highly grateful to University Authority who inspired me to take the present work and granted me the permission to work on the present topic.

My heart is full of emotions for the co-operation given by subjects. Without their co-operation it was not possible for me to do the research on this sensitive topic.

My thanks with deepest sense of gratitude are also towards Dr. Pagare’s family members for their hospitality and affection given to me whenever I visited their place.

I am also extremely obligated and gratified to my father Shri Krishan Kumar Singh for his Soiree of knowledge, reputation and uncompromising principles and attitude, to my respected mother Smt. Shail Singh for her immense love, for leading in to intellectual pursuits and good manner and also, my sister Archna & Vandana, my brother Malay who not only rendered me all the support and urged me to undertake this challenging task, but effectively guided in making me what I am in life.
Last but not least there are no words to match the sacrifice of my mother for her long and enduring encouragements, who is pilllar of my strength and who supported and helped in every possible way in completion of this work.

Finally, the research schloor grateful to all football players, coaches, physical educator, sports personnel, team managers, and all who provide me kind help for this doctoral research.
