Blessed are the people those who have the blessings and best wishes of the friends and well-wishers apart from the family members...

The mission began a long time back with a vision of my daring father and my motivating mother who wanted me to excel in life. I am fortunate to be their daughter.

My Guide, Dr. Priyanka Chaudhary is a knowledgeable, co-operative and a wonderful human being. She made my dream come true through her determined, honest and supportive attitude. Thank you ma’am...

I pay my hearty thanks to the JIIT University and its entire teaching and management staff for giving me the opportunity to pursue this course. Dr. Madhu Gupta whose support is inexplicable, I admire her sincere dedication and professional attitude towards work and Dr. Abhiranjan- my coordinator, a very co-operative and a wise human being who also supported every time by giving his critical suggestions time to time.

I am indebted to the libraries of Delhi University Colleges, The Indo-Canadian Library Delhi, Sahitya Academy, Library of Pune University and The library of M. S. College Bikaner who provided an all-time unconditional help to
pursue my dream and allowed me to get the immense data and study material from there.

My special thanks are for esteemed Dr. Farooqi, Principal, Mahatma Gandhi College who helped me a lot and guided time to time, Dr G.S Dangayach, Head Management Department MNIT Jaipur whose support and motivation kept me very enthusiastic about the vision, my former HOD in Delhi University, Dr. Geeta Sachdeva, whose valuable inputs added gloss to the raw material, Dr. M.
