Acknowledgments

“The great thing in this world is not so much where we are, but in what direction we are moving” so to move my work in right direction I would like to record my gratitude to research mentor Dr Sanjay Surana Professor and principal of R. C. Patel Institute of Pharmaceutical Education and Research, Shirpur for his supervision, constructive suggestions, timely advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work.

I would like to express my gratitude to my former supervisor, Late Professor Dr. Ravindra A. Fursule for his valuable guidance, inspiration, throughout my thesis work.

Acknowledgment to the role model for hard and smart work in the lab, Dr S. B Wagh I would like to thank them for being the first person who taught me how to work in synthetic laboratories. Each technical discussion with them enriches my knowledge in synthetic chemistry. I also thank them for giving freedom of expression of my thoughts, refine ideas and creating conducive environment in lab.

I take special privilege to thank Dr. Anil Tatiya, Dr Pravin Patil, Dr. Bhavin Vyas, Dr. Mahantish Jadhav, Sandesh Lodha who introduced me to the Higher education with moral support, friendly attitude and distinct advice.

I gratefully acknowledge my all friends, those supported me and without their support it was difficult for me to complete dissertation easily. Many thanks to Bhushan Patil, Prasad Gorde, Shilpa Harak, Pandurand Adole, Sachin Jain, Gaurav Jain giving time and support for completion of the thesis.
My parents deserve special mention for their inseparable support and prayers I would like to express my deepest gratitude to my beloved parents, my father & mother in-law and my whole family.

I wholeheartedly thank my adorable wife Chetana who made the life memorable and pleasant. It is difficult to phrase her boundless love, encouragement and rock-steady support.

I am thankful to Sampro Organic Research Laboratories, Nashik, for providing facility to carry out all types of reactions and Sampro Group, for co-operation during work.

I extend my thanks to teaching and non-teaching staff of R. C. Patel Institute of Pharmaceutical Education and Research, Shirpur.
