ACKNOWLEDGEMENT

To my esteemed guide Dr. D. D. Santani, B. Pharm., M. Sc. (Medicine), Ph. D., M. B. A., F. I. C., C. I. C., Professor and Head, Department of Pharmacology, L. M. College of Pharmacy, Navrangpura, Ahmedabad, I wish to express my sincere and heartfelt gratitude for his guidance, unceasing encouragement, affection, timely help so often sought and so generously given throughout the project and otherwise. It is his critical suggestions and logical thinking that could lead to the logical conclusion of this project. It has always been a pleasure and privilege to work under his able guidance. Words are not adequate to express the gratitude, for the co-operation and help which made this uphill task possible, which was generously bestowed upon me.

It gives me immense pleasure to express my gratitude to Dr. V. P. Patel, M. D. (Medicine), Consultant Physician, Pramukhswami Healthcare and Research Centre, Shahibaug, Ahmedabad, for his unceasing help and co-operation throughout the project. It is his clinical expertise, which helped us to design the study and findings of the study may be helpful for the medical fraternity for clinical decisions in similar clinical settings. It is his help and co-operation without which this project would not have been possible to carry out so smoothly as well as to bring it to a concluding stage.

With great pleasure, I acknowledge my indebtedness to Dr. Mukesh C. Gohel, M. Pharm., Ph. D, Principal and Professor, Department of Pharmaceutics and Pharmaceutical Technology, L. M. College of Pharmacy, Navrangpura, Ahmedabad, for providing the necessary facilities.
I am indebted to Dr. C. J. Shishoo, B. Pharm., M. S. (Iowa), Ph. D., ex-Principal and Professor, Department of Pharmaceutical Chemistry, L. M. College of Pharmacy, Navrangpura, Ahmedabad, for providing the necessary facilities and encouragement.

I take the privilege to express my gratitude to Dr. Shubha Rani, Ph. D. (Statistics), Research Scientist, B. V. Patel Pharmaceutical Education and Research Development Centre, Thaltej, Ahmedabad, for helping me with her expertise and to draw scientific conclusions to this work.

I am highly indebted to Dr. B. N. Suhagia, M. Pharm., Ph. D., Associate Professor and Head, Department of Pharmaceutical Chemistry, L. M. College of Pharmacy, Navrangpura, Ahmedabad, for his generous help and encouragement.

I shall be failing in my duties if I do not express my gratitude to Prof. R. K. Goyal, Department of Pharmacology, L. M. College of Pharmacy and Prof. N. S. Parmar, Director, K. B. Institute of Pharmaceutical Education & Research, Gandhinagar.

A special note of thanks goes to Dr. Mamta Shah, Department of Pharmacognosy & Phytochemistry, L. M. College of Pharmacy, Navrangpura, Ahmedabad, for her timely help and guidance. I am indebted to Dr. Hetal A. Talati, M. D. (Pathology & Bacteriology), Consultant Pathologist, for her selfless help provided to me.

My sincere thanks are due to Mr. Rajesh Nair, Mr. C. R. Patil and Mr. Maulik Patel for their help and co-operation in completing this project.

My special and heartfelt thanks are due to Ms. Parul Chauhan and Mr. Shyambhai of Pramukhswami Healthcare and Research Centre, Shahibaug, Ahmedabad, for their help and co-operation.
I owe a special debt of gratitude to all the patients who gave their consent to participate in this project. Indeed, they only made this project possible and my sincere gratitude will remain for them.

My sincere thanks are due to Dr. Ravindra Mittal, M. D. (Medicine), D. N. B. (Nephrology), Medical Advisor and Head-Regulatory Affairs, Cadila Healthcare Ltd., Ahmedabad, for his encouragement and generous help provided from time to time.

I am thankful to my friends Kamleshbhai, Arindam Paul, Dr. Sandip Tiwari, Vikas Shirsath, Kiran Kolhe, Srinivas Savale, Narendra Kumar and Vimal Patel for their encouragement.

I am lacking in words to express my indebtedness to my wife, Sunita, for practically being after me to complete this project and it is her incessant motivation, which made this project possible. I am highly indebted to my daughter, Kavisha, for sparing me to do my “lesson” from playing with her.

I am indebted to my parents and all family members for their support. My heartiest gratitude is due to Papa, Mummy, Jijajee, Deepak, Bhabhi, Anita and Virendra for their moral support that boosted me to complete this project.

I shall remain grateful to all the friends and well-wishers who directly or indirectly helped or motivated me in this venture.
