ACKNOWLEDGEMENTS

I wish to express my heartfelt gratitude and deepest sense of indebtedness to my guide Dr. T.K. Srinivasa Gopal, Principal Scientist, Fish Processing Division of Central Institute of Fisheries Technology, Cochin, for his keen interest, guidance, encouragement and valuable discussion in every step of this piece of research work.

I express my humble gratitude to Dr. K. Devadasan, Director, CIFT, Cochin for giving permission, providing facilities and encouragement to carry out this piece of work. I am also thankful to ICAR for providing me Fellowship throughout the course of the research work.

I acknowledge deeply my debts to Dr. K.G. Ramachandran Nair, Head, Fish Processing Division; Dr. C.N. Ravi Shankar, Senior Scientist; Sri P.K. Vijayan, Principal Scientist; Sri. P.R. Nair, Principal Scientist; Smt. Bindu J., Scientist, Fish Processing Division of Central Institute of Fisheries Technology, Cochin, for their generous help, support and guidance.

I feel great pleasure in expressing my regards and profound indebtedness to Dr. Ashok Kumar, Senior Scientist, Quality Assurance Division; Sri. M. Ashraf, Senior Scientist, Fishing Technology Division of Central Institute of Fisheries Technology, and Dr. Saleena Mathew, Professor, School of Industrial Fisheries for their valuable counseling, guidance and support during the research.

The assistance rendered by the library staff Mr. M.M. Devasya, Smt. Sailaja. T and Mr. Bhaskaran in the collection of necessary literature are gratefully acknowledged.
I express my sincere appreciation and heart-felt thanks to Mr. Omankuttan Nair, Mr. Sadanandan, Mr. Kunjan, Mr. Suresh, Mr. Padmarajan, and for their assistance throughout my work.

In this opportunity I never forget to give thank to all of my wonderful co-researchers, Mr. Sudhir, Smt. Leema, Smt. Sonaji and Smt. Manju.S and for their help, cooperation, encouragement and support in my work and study.

I wish to extend my sincere thank to my friends Pramod, Deepak, Sreejith, Radhakrishnan, Maya, Jyoti, Yesudason, Shinekumar, Tippeswamy, Siddappaji, Bobbon, Sini and Mohan for their support throughout the study and writing the thesis.
