ACKNOWLEDGEMENT

I express my deep gratitude to Dr. (Miss) M.H. Gandhi, M.Sc., Ph.D., Lecturer, Chemistry Department, University School of Sciences, Ahmedabad-9, for her constant guidance and sympathetic help during the course of this work.

I am highly indebted to Dr. M.N. Desai, D.Sc., F.I.C., F. Electrochem Soc. I., F.R.I.C. (London), Professor of Chemistry, University School of Sciences, Gujarat University, Ahmedabad-9, for his keen interest and sympathetic help and also for providing me the necessary laboratory facilities.

I am thankful to Dr. J.J. Chinoy, former Head of Botany Department and Dr. C.K. Shah, present Head of the Botany Department for permission to use the Beckman DU-2 spectrophotometer.

Professor Dr. B.M. Desai, M.Sc., Ph.D., A.R.I.C. (London), M.G. Science Institute, Ahmedabad, Professor R.A. Vyas, M.Sc., Government Science College, Gandhinagar and Miss J.V. Parghi M.Sc. took keen interest in the progress of my work. I sincerely thank them for the sympathetic co-operation and kind help extended during the work.

I express my thanks to the authorities of the Gujarat University for awarding me a research scholarship during the course of my work.
I thank the authorities of libraries of Ahmedabad Textile Industry's Research Association, Ahmedabad-380015 and L.M. College of Pharmacy, Ahmedabad-380009 for allowing me to make use of their libraries for reference work and I thank their staff members for their kind co-operation.

I thank all my colleagues for their kind co-operation.

Last, but not least, I am grateful to my parents for inspiring me and making my progress possible. I am also thankful to Shri R.K. Modi for typing the thesis neatly and accurately.

J. S. Desai
