ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude to Dr. J. J. Trivedi, B.Sc., Ph.D., Principal, M. G. Science Institute, Ahmedabad-9 for suggesting me the problem of the research work and his invaluable guidance, continuous encouragement and helpful criticism throughout the progress of my research work.

I express my thanks to Dr. K. C. Kshatriya, M.Sc., Ph.D., Head of the Chemistry Department, M. G. Science Institute, Ahmedabad and Ahmedabad Education Society, Ahmedabad for providing me with the facilities to carry out research.

Thanks are also due to my research colleagues particularly Dr. V. M. Vaishnav and Dr. S. P. Parikh for their co-operation and help in my research work.

I am grateful to Dr. M. N. Jindal, Professor of Pharmacology, M. P. Shah Medical College, Jamnagar and Dr. C. V. Dixit, Department of Pathology, B. J. Medical college, Ahmedabad for the Physiological Testing.

At last, but not least, I am thankful to my parents for their co-operation and inspiration received from them.

J. G. Kapadia.
